A Fine Summers Day An Inspector Ian Rutledge Mystery:

A Fine Summer's Day Charles Todd, 2015-01-06 New York Times bestselling author Charles Todd takes readers into Scotland Yard detective Ian Rutledge's past to his perplexing final case before the outbreak of World War I. On a fine summer's day in June 1914 Ian Rutledge pays little notice to the assassination of an archduke in Sarajevo. An Inspector at Scotland Yard he is planning to propose to the woman whom he deeply loves despite intimations from friends and family that she may not be the wisest choice. To the north on this warm and gentle day another man in love a Scottish Highlander shows his own dear girl the house he will build for her in September. While back in England a son awaits the undertaker in the wake of his widowed mother's death. This death will set off a series of murders across England seemingly unconnected that Rutledge will race to solve in the weeks before the fateful declaration in August that will forever transform his world. As the clouds of war gather on the horizon all of Britain wonders and waits. With every moment at stake Rutledge sets out to right a wrong an odyssey that will eventually force him to choose between the Yard and his country between love and duty and between honor and truth. Talking Book Topics ,2015-11 **Braille Book Review** ,2016-11 *No Shred of Evidence* Charles Todd, 2016-02-16 In this absorbing new entry in the acclaimed New York Times bestselling series Scotland Yard's Ian Rutledge is caught up in a twisted web of vengeance and murder. On the north coast of Cornwall an apparent act of mercy is repaid by an arrest for murder. Four young women have been accused of the crime. A shocked father calls in a favor at the Home Office. Scotland Yard is asked to review the case. However Inspector Ian Rutledge is not the first Inspector to reach the village. Following in the shoes of a dead man he is told the case is all but closed. Even as it takes an unexpected personal turn Rutledge will require all his skill to deal with the incensed families of the accused the grieving parents of the victim and local police eager to see these four women sent to the infamous Bodmin Gaol. Then why hasn't the killing stopped. With no shred of evidence to clear the accused Rutledge must plunge deep into the darkest secrets of a wild beautiful and dangerous place if he is to find a killer who may or may not hold the key to their fate. **Forthcoming Books** Rose Arny, 2002 **American Book Publishing Record** ,2002 *Motion Picture Almanac* Terry Ramsaye, 1938 **All on a Summer's Day** John William Wainwright, 1981 During a twenty four hour period the officers of a British police section must deal with a number of crises including a bomb explosion that injures two policemen and a man who has murdered his wife and her lover. *All on a Summer's Day* John William Wainwright, 1989-01-01 The summer's day in question is the 24 hours of one June 26 as endured by a police department in the north of England. This masterful police procedural is more convincing than those of Joseph Wambaugh because the events of June 26 are all too terribly believable.
