A girl named Zinnie when Native Wolves and African Elephants matter Janet Jamerson, 2011-06-04 This is a true life adventure of two orphaned wolf pups cared for and befriended by a young black girl who is a lesbian and a young black girl who questions her sexual orientation and who both try to raise the two orphaned wolf pups to be released in the wild in 1961 During their struggles with the help of an old Native American friend and a reminder of the young black lesbian girl's roots by her knowledgeable aunt they learn to deal with their own differences in their community and in turn find love and companionship between each other and they realize they're not as different as they think While one searches for her past the other runs from her past each finds in her yesterdays the power to live today **(a girl called) Karma** SM

Thomas, 2025-04-08 The pouring rain was no match for eleven year old Karma Jones as she fled from The Farm a dangerous cult that had held her captive for years With each step she knew the fate of not only herself but also the other children trapped within The Farm rested on her shoulders And she refused to let them down As news of her daring escape spread Karma became an internet sensation with people around the world desperate to learn more about the brave girl who had defied all odds But now at thirty eight years old Karma is ready to share her story in never before heard detail Enter Zoe Lewis an up and coming podcaster personally chosen by Karma to tell her story But as their lives become intertwined Zoe begins to suspect that there may be more to Karma than meets the eye Could she be involved in the Medusa Network a group of vigilantes who seek out and punish abusers And if so is Zoe willing to denounce their actions even if they only target the guilty Full of heart aching twists and powerful emotions A Girl Called Karma will keep you on the edge of your seat until the very end **A Girl Called Jake** Iain Fraser Grigor, 2014-06-17 Two natives one bastard and a mighty bog A Girl Called Jake

draws on a translation from a hitherto secret archive to tell the story of a gigantic narcotics plant that's built upon a mighty bog But in a strange and distant land a rising for liberty is crushed with vicious and unparalleled violence And in the country of the book's principal action an agitation grows and grows For here too is a disturbing spirit of national sentiment And here too a rising a strictly unconstitutional affair takes place So in the giant plant is fought once more one of the great battles of classical antiquity But in the very moment of victory defeat For just as the cops big bust gets under way the whole plant tilts and flips and sinks forever in its mighty bog and everything goes back to the good old way that it was With an introduction and by the translator an afterword Wonder Woman Noah Berlatsky, 2017-05-31 William Marston was an unusual man a

psychologist a soft porn pulp novelist more than a bit of a carny and the self declared inventor of the lie detector He was also the creator of Wonder Woman the comic that he used to express two of his greatest passions feminism and women in bondage Comics expert Noah Berlatsky takes us on a wild ride through the Wonder Woman comics of the 1940s vividly illustrating how Marston's many quirks and contradictions along with the odd disproportionate composition created by illustrator Harry Peter produced a comic that was radically ahead of its time in terms of its bold presentation of female power

and sexuality Himself a committed polyamorist Marston created a universe that was friendly to queer sexualities and lifestyles from kink to lesbianism to cross dressing Written with a deep affection for the fantastically pulpy elements of the early Wonder Woman comics from invisible jets to giant multi lunged space kangaroos the book also reveals how the comic addressed serious even taboo issues like rape and incest Wonder Woman Bondage and Feminism in the Marston Peter Comics 1941 1948 reveals how illustrator and writer came together to create a unique visionary work of art filled with bizarre ambition revolutionary fervor and love far different from the action hero symbol of the feminist movement many of us recall from television

**Stories for Ears to Hear** Tincan Caldwell, 2013-08 When asked a question like Who is my neighbor Jesus often answered with a story He did this because humans often see themselves in stories better than they do in direct answers For instance the universal situation of rescuing someone who is in desperate need on the side of the road somewhere far from home resonates with people down through the ages In Stories for Ears to Hear Tincan Caldwell puts a modern spin on the parables of Jesus in an attempt to help the reader imagine what the heart of these stories would look like today In his famous challenge before telling a parable Jesus would encourage those with ears to hear to listen to his tales of prodigal sons lost coins victimized travelers on the road and elaborate parties with no guests In telling these stories Jesus brought the sensibilities of heaven to the very real dusty highways and hills of his homeland In reimagining these classic parables the parable of the good Samaritan set against the backdrop of the 9 11 tragedy the parable of the unmerciful servant moved to a struggling record store the parable of the talents reimagined in the world of a network reality show Caldwell challenges readers to re examine how heaven wants to invade the everyday stuff of life like roads parties wayward sons and the foundations we build our lives upon That makes for a great story any day
