## **A Guidebook For Searchers Is There Really Evidence Behind Faith:**

**A Guidebook for Searchers** Kelly Carr, 2014-02-14 A Guidebook For Searchers Agnostics Doubters and Followers At Last Real Answers for Real People This book was written for the searcher the person who wants true spirituality but is sincerely struggling with the important questions about life and God It was also written for the believer who may be struggling with doubts Part of the enemy s strategy is to toss doubts into the believer s pathway causing them to become sidetracked and thus ineffective for God A Message for Searchers Searchers come in all forms Some searchers are young and just beginning their journey and some are old and have been searching for a very long time Searchers are people who are on a quest They are explorers but they are not exploring merely for the sake of the journey It is a seemingly unquenchable thirst for the truth They believe the truth is out there and can be known but they are not always sure where to look or even where to begin looking Often searchers are secretly hoping they will not find the truth The greatest fear of some is that the truth they are seeking will lead them to the God of the Bible Many are really hoping to find the answer in a hobby or a relationship or a career or the latest self help book or some new achievement or community service or anywhere else But they have often been disappointed in the shallowness of these things and that is why they are still searching This book is for searchers agnostics honest skeptics doubting Thomas and committed followers While it is in no way meant to be exhaustive or even highly intellectual it does interact with five questions most often asked by searchers If you are a searcher it might encourage you to know that you are not alone in your journey Many people have gone before you and some have even left some helpful markers along the way It might also encourage you to know that God is excited that you are searching and He has some special promises for you The Bible says God rewards those who earnestly seek Him Hebrews 11 6 Jesus called searchers blessed or happy and promised Blessed are those who hunger and thirst for righteousness for they shall be satisfied Matthew 5 6 NASB Every good explorer needs some good tools and resources It is my hope that this book will be one source of information and ready reference that will help you discover what your soul is craving and perhaps prepare you for an even greater journey Chapters Titles Is There Really a God Can We Really Trust an Ancient Book Is Christianity Really the Right Religion Can a Loving God Really Allow Suffering Is There Really Life After Death Survival Information for Searchers Some Interesting Things You ll Find Inside 5 Arguments for the Existence of God 6 Implications of Existence of God 6 Implications of Anti supernaturalism 6 Qualities that Make the Bible The Most Unique Book of All Time The Big 6 Non Christian Religions 5 Reasons Why Christianity is Really the Right Religion 3 Practical Benefits of Suffering 4 Bottom Line Answers about God and Suffering 8 Reasons to Believe in Life after Death 4 Things God Is Dying for You to Know Get A Guidebook For Searchers and Get Answers Now *Manual for Courts-martial, United States* ,1998 *Manual for Courts-martial, United States, 1984* ,1994 **The Army Lawyer** ,1986 **Manual for Courts-Martial, United States** United States,1984 **Manual for Courts-martial, United States, 1984** United States.
