A Gypsy's Kiss Susan Griscom, 2015-05-11 A GYPSY S KISS is a SILVER MEDAL WINNER in the Readers Favorite Awards Supernatural Romance Category An entertaining story of first love that is filled with sufficient mystery and drama to keep you turning the pages A Gypsy s Kiss is a paranormal story that has its own flavor and characters with great interaction Breena Cassidy is cursed with what could be one of the worst supernatural abilities imaginable she has never had the luxury of falling in love Hell she s never even held a guy s hand At only twenty two years old she s just about given up on the whole love thing After all when you can see twelve hours of someone s future by a simple touch and they in turn can see what you see well relationships are sort of out of the question Her gigs performing psychic readings at parties and the occasional one on one private appointment are just about Breena s only connection with people No matter how much she might wish otherwise Hawk Covington s hard body and skill have earned him a starting position on the Pioneer s college hockey team But it s not his talent with a hockey stick that s the most remarkable His gorgeous two colored eyes not only draw the attention of every female on campus they also allow him to track people and objects But when he suddenly finds himself stalked by a stranger he seeks out the help of the rumored campus gypsy for help Despite his vow to stay single and play as many college women as he can while the fun lasts Hawk can t ignore his attraction to the lovely and spirited Breena And she can t get the hunky star hockey player out of her mind once a single touch of his hand reveals something utterly strange Surrounded by mystery they realize that fate has brought them together for a reason but can they stay alive long enough to recognize the depth of their feelings for one another 5 Stars Susan Griscom has created a great supernatural romance in *A Gypsy s Kiss* The main characters are well developed especially Breena as she struggles to cope with her gift She is resourceful though and knows how to handle herself Hawk is a good match for her and the chemistry between them is great The plot line for both of them is a novel way to keep the two of them apart and ramp up the tension I think this book will do very well because it is easy to get into and the characters are relatable A good start to the series and I look forward to reading more from this author Readers Favorite Book Reviews Buy *A Gypsy s Kiss* Today and start reading this stand alone

supernatural gem *A Gypsy Twist* D.A.
