some will never be reconciled Over the years the lessons I have learned are not only imperative to a good life but have kept me completely sober for many years I think this book has value as far as seeing how a life can recuperate become sane and happy It is not the story of a famous person it is not the story of how to beat this addiction It is not in any way a how to book It is a personal look into the life of a house wife mother and wife who had fallen into a threatening abyss and the struggle to once again live without fear or pain or John Barleycorn This is the story of how I did **Rags 2 Riches** Rehema Stephens,
