A Long Finish An Aurelio Zen Mystery:

A Long Finish Michael Dibdin, 2011-01-06 A maestro of crime writing SUNDAY TIMES The closest thing he's yet written to an English whodunnit LONDON REVIEW OF BOOKS AN AURELIO ZEN MYSTERY Aurelio Zen has an unorthodox assignment to release the jailed scion of an important wine growing family who is accused of a brutal murder Zen travels north to the quiet fields autumnal skies and crumbling farmhouses of Piedmont Italian wine country where greed envy hatred and love seethe under the sun He needs to try to penetrate a traditional culture in which family and soil are inextricably linked But here secrets can last for generations and have a finish as long and lingering as that of a good Barbaresco A great addition to the Zen series a great ending too 5 reader review Brilliant atmosphere with incredible twists in the plot right up to the last minute 5 reader review So well written and atmospheric that it just whizzed by 5 reader review PRAISE FOR MICHAEL DIBDIN AND THE INSPECTOR ZEN SERIES He wrote with real fire IAN RANKIN A maestro of crime writing SUNDAY TIMES One of the genre's finest stylists And Zen himself is a masterly creation he is anti heroic and pragmatic but obstinate cunning and positively burdened with integrity GUARDIAN Dibdin tells a rollicking good tale that you want both to read fast because of its gripping storyline and to linger over to savour the evocative descriptions of place and mood INDEPENDENT One of British crime fiction's most distinguished and distinctive voices ANDREW TAYLOR Dibdin has a gift for shocking the unshockable reader Ruth Rendell Zen is one of the greatest creations of contemporary crime fiction OBSERVER I love the way these books capture the atmosphere and contradictions of Italy 5 reader review Aurelio Zen novels are a great treat 5 reader review There is no better writer than Dibdin His books are a joy to read 5 reader review Love these books I am sure you will get hooked too 5 reader review **A Long Finish** Michael Dibdin, 1998 In Aurelio Zen officer of the Italian Criminalpol Michael Dibdin has created one of the most intriguing and addictive detectives in contemporary crime fiction Now he returns in A Long Finish driven by a steely instinct for self preservation coupled with a love of good food and wine Zen is back in Rome meeting with a world famous film director at the instruction of his superiors In the privacy of a remarkably well stocked wine cellar the director convinces Zen to arrange for the release of the scion of an important wine growing family who has been jailed for the murder of his own father It's a puzzle of envy love greed and pride accompanied by heaping plates of pasta covered with generous shavings of white truffle and bottomless glasses of the best local wine It is the perfect challenge for Zen and a perfect read for his fans *A Hedonist in the Cellar* Jay McInerney, 2012-05-01

_____ McInerney's wine judgements are sound his anecdotes witty and his literary references impeccable Not many wine books are good reads this one is New York Times A cracking read Daily Telegraph Personal enlightening and above all fun to read Michael Broadbent Master of Wine of Christie's Brilliant witty comical and often shamelessly candid and provocative Robert M Parker Jr The Wine Advocate _____ WINNER OF THE BEST WINE LITERATURE AWARD GOURMAND WORLD COOKBOOK AWARDS Jay McInerney internationally celebrated author of Bright Lights Big City turns

his hand here to his lifelong love affair with wine Peals of wisdom are offered on the subjects of the best wine for romantics the parallels between Californian wines and floundering Hollywood stars the choice of wine for the author s own debauched forty eighth birthday party the high testosterone grape that is Colin Farrell absinthe the wild green fairy and what wine is best drunk with chocolate At the same time McInerney is a genuine connoisseur taking the reader on a tour through the wine regions of the world and imparting tried and tested advice on grapes and vintages bouquets noses and finishes **Crime Scenes** ,2021-11-01 The essays in this collection are based on papers given at a conference on detective fiction in European culture held at the University of Exeter in September 1997 The range of topics covered is designed to show not only the presence and variety of narratives of detection across different European countries and their different media although there is a predictable emphasis on the novel It also illustrates the fertility of the genre its openness to a spectrum of readings with different emphases formal as well as thematic Approaches to detective fiction have often tended to confine them selves to symptomatic interpretation where details of the fictional world represented are used to diagnose a specific set of social preoccupations and priorities operative at the time of writing Such approaches can yield valuable insights Nonetheless there is a risk of limiting the value of the genre as a whole solely to its role as a mirror held up to society In this perspective issues of structure and style are sidelined or if addressed are praised to the extent that they approach invisibility concision sparseness realism are the qualities singled out for praise The genre also gives much scope for formal innovation and indeed has often attracted already established mainstream writers and filmmakers for just this reason The eclectic diversity of the detective narratives considered in this volume reveal the malleability of the traditional constraints of the genre The essays bear rich testimony to the value of considering the interplay of thematic and structural issues even in the most apparently unselfconscious and popular or populist forms of narrative The patterns of reassurance the triumph of intellect and the ordered rational world of old are now challenged by the need to foreground the problems ambiguities and uncertainties of the self and of society The plurality of meanings and the antithetical imperatives explored in these detective narratives confirm that the most recent forms of the genre are not mere palimpsests of their golden age precursors The subversion of traditional expectations and the implementation of diverse stylistic devices take the genre beyond mere homage and pastiche The role of the reader spectator and critic in conferring meaning is a crucial one **Talking Book Topics** ,2010
