A Lover S Control Ramsey Tesano V:

A Lover's Control AlTonya Washington, 2014-11-20 Caiphus Tesano and SyBilla Ramsey lead extraordinary lives They operate in a world few would have the desire or courage to make their livings in Not many could so impressively navigate a world such as theirs As top operatives in Vestige among the most covert investigative organizations in the world Caiphus and SyBilla are known for their almost supernatural instincts and perception The two are at the top of their game They must remain there for they are on the verge of vanquishing a monster they ve spent their careers chasing Such a reality should have Caiphus and SyBilla basking in the anticipation of triumph Instead the tough as nails duo is wrought with emotion induced by years of hard work and little time to explore the electric attraction that exists between them Caiphus knows that much of Bill s reluctance to give into what they both want has to do with the fact that he s not only her colleague but also her boss In his capacity as head of Vestige Caiphus has often found himself in a position to wield his considerable influence for the purposes of making sure that Bill s risky job never becomes too risky His interference on that regard has placed him on the losing end of her affections more than once Through it all her love for him as remained Things are occurring now however that will again stir Caiphus need to interfere and SyBilla s need to avoid that whatever the cost The Ramsey Tesano saga barrels toward a spectacular finish that will extinguish a scandal generations in the making while revisiting ghosts that SyBilla may have to risk her life to defeat **The Daily Bond Buyer** ,1923 **A Lover's Shame** AlTonya

Washington, 2011-02 **A Lover's Debt** AlTonya Washington, 2013-10-25 Carlos and Dena McPhereson are a couple whose love is only matched by the enormity of secrets existing between them Those secrets are ones Dena Ramsey McPhereson never intended to share with her husband The plan however is reworked when a visit from former acquaintances puts Dena in the unimaginable position of having to choose between protecting family and losing the man she loves Carlos McPhereson has no intentions of letting that happen He d waited a lifetime for Dena Not only had he waited he d observed tracked those he felt responsible for taking her from him He d allowed his wife to believe he had no real clue of the events that had filled her years until the time comes when the full truth can no longer be avoided Now will be the moments for revelations Revelations that will reveal the path towards the final acts in a dramatic and deadly menagerie that some will not survive
