Earthling the Cosmic Christ of Ephesians--The Universe, Trinity, and Zhiyi's

Threefold Truth, Volume 2 John P. Keenan, 2022-09-09 This is volume 2 of a wide ranging interfaith reading of the Letter to the Ephesians a New Testament text whose words have inspired and enhanced Christian spiritual life and liturgy over the centuries Unfortunately at the same time Ephesians has provided apparent scriptural support to those who would defend slavery patriarchy misogyny and the physical power of Christ over the cosmos How on earth are today's Christians to receive and understand such a text as this Earthling the Cosmic Christ of Ephesians The Universe Trinity and Zhiyi's Threefold Truth draws upon a broad array of scientific theological and philosophical thinkers who enable us both to marvel at today's ever expanding knowledge of our vast cosmos and to appreciate the importance of the Ephesian letter in the canon of our Christian scriptures even while we acknowledge the archaic geocentric cosmology that underlies its claims about the cosmic Christ and reject its accommodation to the patriarchal misogynistic and slaveholding norms of its first century culture Throughout this reading of Ephesians we look to Chinese Buddhist master Zhiyi and his threefold truth to enhance our understanding of trinity and the nascent trinitarian themes within this letter As a whole this work constitutes a new appreciation for Ephesians as well as a twenty first century apologetic for doctrinal humility and for theologizing within a global theological commons
