Postmodernism Mikhail N. Epstein, Alexander A. Genis, Slobodanka Vladiv-Glover, 2016 Recent decades have been decisive for Russia not only politically but culturally as well The end of the Cold War has enabled Russia to take part in the global rise and crystallization of postmodernism This volume investigates the manifestations of this crucial trend in Russian fiction poetry art and spirituality demonstrating how Russian postmodernism is its own unique entity It offers a point of departure and valuable guide to an area of contemporary literary cultural studies insufficiently represented in English language scholarship This second edition includes additional essays on the topic and a new introduction examining the most recent developments

A man called Corrado M. Sterrenburg, 2025-01-17 Corrado seeks redemption for his violent past by helping others as an off the books investigator His search for a missing girl takes him deep into the dark and gritty world of the flesh trade But the case is not as straight forward as it seems and it may prove to be his biggest challenge yet M Sterrenburg s second novella is an action packed thriller that is definitely not meant for the fainthearted *Blue in Old*

English C.P. Biggam, 2022-06-08 Blue in Old English represents the first thorough investigation of an area of the colour semantics of Old English and the methodology developed for this study is believed to be appropriate for researching the colour semantics of any language which survives only in recorded texts By means of a collection of in depth word studies which suggest new interpretations of many well known passages an understanding of how blueness was described in Old English is developed The approach is interdisciplinary using evidence from subjects such as botany manuscript illustration etymology early technologies and others The conclusion contradicts certain previously held views on Old English colour and presents a hitherto obscured sociolinguistic picture of differing language use among various groups of Old English speakers

Richard Harris Joe Jackson, 2022-11-18 In 1987 when Richard Harris the legendary star of *This Sporting Life* *The Field* and *Harry Potter and the Philosopher s Stone* was interviewed for the first time by Joe Jackson they almost came to blows Jackson was determined to unearth deeper truths about the actor than he usually disclosed during interviews Harris had manipulated the media all his life largely to keep people from getting to really know him However by the time that interview

ended they had become firm friends It was only then that Jackson told Harris I want to show the public that there is far more to you than your superficial image as a boozing brawling womaniser Harris loved this idea and two years later he asked Jackson to write his biography Richard Harris Raising Hell and Reaching for Heaven is that biography But it is much more besides Based on a searingly honest series of interviews Jackson recorded with Harris between 1987 and 2001 plus the author's journal entries and extensive notes this book is also a part memoir that tells a highly personal and moving back story about why it was inevitable that Jackson and Harris would connect at the deepest possible level This book will finally prove beyond a doubt that there was far more to Richard Harris indisputably one of Ireland's greatest actors as well as a Grammy award winning recording artist and published poet than has previously been revealed **Television Mythologies** Len Masterman, 2005-06-29 A collection of essays on television which focuses on the previewers the TV magazines quiz shows commercial breaks Top of the Pops One Man and His Dog personalities politicians and continuity announcers *Heritage Rare Books & Manuscripts Auction Final Session # 683* , [A Catalogue of Books, Arranged in Classes](#) Bernard Quaritch, 1864 **Italian Literature since 1900 in English Translation** Robin Healey, 2019-03-14 Providing the most complete record possible of texts by Italian writers active after 1900 this annotated bibliography covers over 4 800 distinct editions of writings by some 1 700 Italian authors Many entries are accompanied by useful notes that provide information on the authors works translators and the reception of the translations This book includes the works of Pirandello Calvino Eco and more recently Andrea Camilleri and Valerio Manfredi Together with Robin Healey's Italian Literature before 1900 in English Translation also published by University of Toronto Press in 2011 this volume makes comprehensive information on translations from Italian accessible for schools libraries and those interested in comparative literature
