

The background is a painting of a path leading towards a sunset over a body of water. The path is made of reddish-brown gravel and leads from the bottom left towards the center. To the right of the path is a body of water reflecting the sunset colors. In the distance, a dark silhouette of a building or structure is visible on the left side. The sky is filled with warm, golden, and orange hues from the setting sun.

Mosaic Pieces Wes Skillings, 2022-09-20 Mosaic Pieces Surviving the Dark Side of American Justice By Wes Skillings Mosaic Pieces is a nonfiction narrative about a murder investigation trial and conviction in the 1970s you might call the centerpiece of three generations of family history The murder case itself is fascinating if only because of what had been learned in the aftermath of the trial at which twenty year old Kim Lee Hubbard was decreed guilty in Williamsport Pennsylvania of the murder of twelve year old Jennifer May Hill Jennifer had been dead in a cornfield according to the forensic pathologist who conducted the autopsy for as many as nine

days in the unseasonably warm and dry weather of that October And yet the body on the autopsy table was as fresh as if she had died just the day before according to the man who picked up the body and later embalmed it It was just the beginning of a litany of discrepancies in evidence and testimony presented at the trial as well as questionable investigative practices The murder may have occurred on an Indian summer day in October 1973 but the story begins some forty five years before with the compelling lives of Joe and Dorisann Hubbard leading up to their marriage and the tragedies and difficulties throughout their lives together **Miller's Anesthesia, 2-Volume Set E-Book** Michael A.
