## **A Parent S Death A Biblical And Spiritual Companion:**

**A Parent's Death** Margaret Nutting Ralph, 2015-01-15 In *A Parent's Death* renowned biblical studies teacher Margaret Nutting Ralph reflects on the passing of each of her parents and the biblical and spiritual lessons she learned through these difficult times. The book grows out of her personal experiences but goes beyond them to explore the meaning of death in the Christian tradition, emphasize the belief that life does not end with life on earth and offer hope and comfort to those who are suffering. Each chapter includes a section on spiritual lessons learned, reflection questions and biblical passages for meditation that invite readers to apply the lessons to their own lives. The book may be of great spiritual help to family members, caregivers, chaplains and hospice workers as they accompany those who are dying as well as reach out to the loved ones of those who are dying as they approach the veil together.

**Christian Marriage Companion** Dr. Sunny Uwadiae, 2012-08-20 *Christian Marriage Companion* is one of the most comprehensive and authoritative books on the biblical model of marriage and family. It is a blueprint on what an ideal Christian marriage is and how to achieve it. It exhaustively explains the ordinance and covenant of marriage, its central and peripheral purposes, role relationships of man and wife, how to push beyond intimacy into marital unity, hindrances to a happy marriage, how to resolve conflicts and how to achieve a blissful Christian marriage. It fully examines issues such as same sex marriage, oral sex, use of sex toys, pornography, masturbation, divorce, remarriage, effective communication, forgiveness, adultery and active listening. With over 300 Bible references and real life examples from marital counselling sessions, the book covers virtually all the knowledge and skills for making a Christian marriage a true success. It is a manual covering all that a person needs to know to bring full healing to their marriage, making the book a veritable alternative to face to face counselling. It reveals striking truths about Christian marriage that will be extremely hard to find elsewhere. These include an in depth analysis of the marriage proclamation, the idea that emotional and spiritual education is the central purpose of marriage, the idea of spiritual divorce and the idea that Christian marriages aim at a deeper than intimate relationship. *Christian Marriage Companion* is the kind of book you simply place on the shelf for your spouse to read in their own time. They will find it absolutely compelling to read. As they do so, only the stone hearted will resist being reformed by it. Newlywed couples and those looking to improve their marriage would find this book most useful. Although it was written specifically for Christian couples of all denominations, it has great potentials for positively impacting the marriages of non Christians who read it with open minds. The Christian marriage ideals it teaches are unsurpassable and
