A Philosophy Of Solitude:

A Philosophy of Solitude John Cowper Powys, 1936 **A Philosophy of Solitude** John Cowper Powys, 1933 **Notes for a philosophy of solitude** Thomas Merton, 2007 *Philosophy of Solitude* John Cowper Powys, 2011-05-01 Solitude Philip Koch, 1994 About the philosophical aspects of solitude Belles Lettres, 1933 *A Philosophy of Loneliness* Lars Svendsen, 2017-03-15 For many of us it is the ultimate fear to die alone Loneliness is a difficult subject to address because it has such negative connotations in our intensely social world But the truth is that wherever there are people there is loneliness You can be lonely sitting in the quiet of your home in the still of an afternoon park or even when surrounded by throngs of people on a busy street One need only turn on the radio to hear a crooner telling us just how lonesome we can be In this groundbreaking book philosopher Lars Svendsen confronts loneliness head on investigating both the negative and positive sides of this most human of emotions Drawing on the latest research in philosophy psychology and the social sciences *A Philosophy of Loneliness* explores the different kinds of loneliness and examines the psychological and social characteristics that dispose people to them Svendsen looks at the importance of friendship and love and he examines how loneliness can impact our quality of life and affect our physical and mental health In a provocative move he also argues that the main problem in our modern society is not that we have too much loneliness but rather too little solitude and he looks to those moments when our loneliness can actually tell us profound things about ourselves and our place in the world The result is a fascinating book about a complex and deeply meaningful part of our very being A Philosophy Solitude, by John Cowper Powys John Cowper Powys, 1933 **"I Am Myself Alone"** Janina Nordius, 1997 *A Philosophy of Solitude* Bernard August Knauer, 1937
