A Pilgrimage Through Holy Week:

A Pilgrimage Through Holy Week Keith Gaddis, 2015-02-27 The Week That Changed the World Timothy Dean Roth, 2009-09-01 Beginning with Palm Sunday the gospels record every day of Jesus' life up to the time of his death and resurrection. These eight days are unparalleled in the canon of Scripture for their narrative power, their detail, and their focus. A unique synthesis of the four gospel accounts of the passion and resurrection of Christ is provided in this seamless and elegant narrative account of the Easter events including every detail mentioned in all four Gospels but without any unnecessary repetition or distracting references. A chapter is assigned to each of these days to facilitate devotional reading and study during the days leading up to Easter. Two chapters are added on either side of the eight days to round out the story. A study guide is also included. The book invites reader to experience the events of Christ's passion as they happened, thus fully entering into the drama of the Easter story. More than anything, this book is an invitation to join Jesus and the disciples in walking the road that leads to Jerusalem and to experience the events that happened there in an intimate and life-changing way. Pilgrimage through a Burning World Ken Butigan, 2012-02-01 For two decades the Nevada Desert Experience has organized nonviolent action at the Nevada Test Site as part of the global movement to end nuclear testing. Pilgrimage through a Burning World illuminates how the Franciscan-based group has crafted a contemporary desert spirituality that integrates religious ritual and political action to grapple with the challenges of an institutionalized and internalized nuclear world. Ken Butigan shows how the annual pilgrimage to the test site has contributed to the personal transformation of people on both sides of the fence at the test site and to the worldwide emergence of the Comprehensive Test Ban Treaty.
