A Pound Of Flesh:

Biblical References in Shakespeare's Plays Naseeb Shaheen, 1999 Analyzes the biblical references that Shakespeare makes in his plays surveying the different English Bibles available to Shakespeare and pointing out which of these he referred to most often the King James version only appeared near the end of his career Also examines biblical references found in literary source material used by Shakespeare to determine whether he used or adapted these or added others from his own memory and what these allusions would have meant to audiences of the time From publisher description *Legal Plunder* Joshua Page, Joe Soss, 2025-08-12 A searing historically rich account of how US policing and punishment have been retrofitted over the last four decades to extract public and private revenues from America's poorest and most vulnerable communities Alongside the rise of mass incarceration a second profound and equally disturbing development has transpired Since the 1980s US policing and punishment have been remade into tools for stripping resources from the nation's most oppressed communities and turning them into public and private revenues *Legal Plunder* analyzes this development's origins operations consequences and the political struggles that it has created Drawing on historical and contemporary evidence including original ethnographic research Joshua Page and Joe Soss examine the predatory dimensions of criminal legal governance to show how practices that criminalize police and punish have been retrofitted to siphon resources from subordinated groups subsidize governments and generate corporate profits As tax burdens have declined for the affluent this financial extraction now a core function of the country's sprawling criminal legal apparatus further compounds race class and gender inequalities and injustices *Legal Plunder* shows that we can no longer afford to overlook legal plunder or the efforts to dismantle it **The Shakespeare Phrase Book** John Bartlett, 1881 *The Complete Works of William Shakspeare: with Dr. Johnson's Preface* William Shakespeare, William Harness, 1842 **A Pound of Flesh, Etc. (A Play in One Act.)**.
