A Proposed Twenty Eighth Amendment To The United States Constitution:

Proposing an Amendment to the Constitution of the United States to Protect the Rights of Crime Victims

United States. Congress. House. Committee on the Judiciary. Subcommittee on the Constitution, 2012 *The Twenty-Eighth Amendment?* Paul Schumaker, 2020-02-23 The Electoral College was adopted by the framers of our Constitution as a method of ensuring that our presidents would be well qualified statesmen But this goal has been thwarted by changes in our unwritten constitution resulting in a deeply flawed electoral process that is far removed from Constitutional provisions Reformers frequently seek to abolish the Electoral College and replace it with a process that gives the presidency to the candidate winning the most popular votes but that alternative provides poor inoculation from charismatic charlatans Paul Schumaker a retired professor of political science employs the techniques of memoir to convey the evolution of his thinking about this issue to warn us against adopting such pretenders as the Interstate Compact and to prescribe a national process that weds concerns for more acceptable candidates with our common democratic values Covering the past the present and the future this book concisely informs the public about a current issue of enduring importance for American politics **Rape**

of the American Constitution By Its Own Government Gaines B. Jackson, BS, MS, Dr. PH., 2016-08-23 Gaines Bradford Jackson is a man on a quest to inform the public and wrote *Rape of the American Constitution by Its Own Government* because his mission is to inform all Americans that indeed his observations are true and factual and that our Founding Forefathers whom believed in the Locke Blackstone ideas that all Americans should enjoy the four fundamental rights under the new government being formed namely the right to the pursuit of life liberty ownership of property and happiness no longer exist These inalienable rights were supposed to be guaranteed by the Bill of Rights the first ten amendments to the Constitution itself but with recent administrations over the past twenty years and the recent passage of the heinous unpatriotic Patriotic Act these rights are being slowly eroded This text talks about honesty integrity and a belief in Almighty GOD as distinct character traits of the Founding Forefathers and has a brief discussion of the thirteen most significant players *Proposed Constitutional Amendment to Permit Voluntary Prayer* United States. Congress. Senate. Committee on the Judiciary, 1982 Indentured Servitude Revisited Gaines Bradford Jackson, 2014-06-06 Gaines Bradford Jackson is a man with a goal of informing the public that it appears the democracy idea of the American founding fathers seems to be crumbling into a seedy oligarchy which is robbing the average citizen of his her civil liberties He has compiled and written a provocative book in his latest creation entitled *Indentured Servitude Revisited* He has cleverly written about honesty the objectives of the original founding fathers and a historical overview of how the US Constitution evolved Slavery founded America and it was supposedly done away with but its ugly head has resurfaced time and time again in gradually eroding the individual freedoms supposedly guaranteed by the US Constitution Jackson builds a good case of describing the original sin of our founding fathers when they made the judiciary self regulated This out of control system has allowed for democracy to

be eroded in America and has allowed the old axiom of the greed for money to rule the ones in power to cause the existing oligarchy rule by select extremely wealthy individuals only to come about in its ugly plan of stealing the citizens civil liberties and attempting to commit everyone to become a slave of big money The book is fully documented to support the premises being made All Americans should read this book and begin to push for the twenty eighth amendment with the inclusion of the JAIL amendment proposals to put a check on the runaway legal system before it is too late Jackson offers a solution only if enough Americans become fully informed and begin to question everything government does and push to remove the career politician another one of the roots of evil that has oozed into our government and ruined it along with the lifetime appointments of the good old boys known as the Supreme Court justices Read this book and get mad as you have a full right to get angry for what has been going on and inform your neighbors and all others you know in particular your state representatives and senators let us change America together before something really awful happens The plain truth is revealed in this book as a hallmark read for anyone that does not like or accept what our central government is attempting on every law abiding citizen in the continental United States of America **The Secret Treaty** Wayne Josephson,2011 Amanda Jefferson and Josiah Bacon search for a secret family vault containing priceless documents from their ancestors Thomas Jefferson and Sir Francis Bacon The prize an actual 1797 Secret Treaty from the Founding Fathers settles the question of whether America was founded as a Christian nation Proceedings of the Twenty-eighth Annual Convention of the National American Woman Suffrage Association, Held in Washington, D.C., January 23d to 28th, 1896 National American Woman Suffrage Association. Convention,1896 *The Far Left: Killing American Capitalism and Raising of Socialism with More Enslavement of the Citizenry* Gaines Bradford Jackson BS MS DrPH,2023-05-08 This book was written to inform the reader that a few selected far left ideas of today s Democratic Political Party is simply poison for America or any nation for that matter As it leads to mass demonstrations and active shooter situations that are horrible in today s society in the mind of the author Hopefully the reading of this book will turn one s mind away from the far left back to the moderate right and rational sanity smaller Federal government and peace and tranquility for the American people **The Federal and State Constitutions, Colonial Charters, and Other Organic Laws of the State, Territories, and Colonies Now Or Heretofore Forming the United States of America** Francis Newton Thorpe,1909 **The Federal and State Constitutions, Colonial Charters, and Other Organic Laws of the State, Territories, and Colonies Now Or Heretofore Forming the United States of America: Kentucky ; Massachusetts** Francis Newton Thorpe,1909
