A Family Guide To Sabbath Nature Activities:

A Family Guide to Sabbath Nature Activities Eileen E. Lantry, 1980 *Holy Day, Holiday* Alexis McCrossen, 2000 The mass protests that greeted attempts to open the 1893 Chicago World's Fair on a Sunday seem almost comical today in an era of seven day convenience and twenty four hour shopping But the issue of the meaning of Sunday is one that has historically given rise to a wide range of strong emotions and pitted a surprising variety of social religious and class interests against one another Whether observed as a day for rest or time and a half Sunday has always been a day apart in the American week Supplementing wide ranging historical research with the reflections and experiences of ordinary individuals Alexis McCrossen traces conflicts over the meaning of Sunday that have shaped the day in the United States since 1800 She investigates cultural phenomena such as blue laws and the Sunday newspaper alongside representations of Sunday in the popular arts *Holy Day Holiday* attends to the history of religion as well as the histories of labor leisure and domesticity **A Family Guide to the Biblical Holidays** Robin Sampson, Linda Pierce, 2001 This giant resource gives an extensive look at the nine annual holidays Passover Unleavened Bread Firstfruits Pentecost Trumpets Day of Atonement Tabernacles Hanukkah Purim and the Sabbath **Family Guide to Celebration of the Jewish Holidays** Linda Chesler, Leonard Chesler, 2012-03-14 We always tried to celebrate the Jewish Holidays as a family Starting when our children were young it soon became apparent to us that it was much better and much more meaningful if as part of our celebration we discussed each holiday with each other talking about why the holiday is celebrated its origin and history how it is celebrated and very importantly its meaning relevance and value to us today and what we can learn and use in our everyday lives We wanted the children to feel and understand that the holidays were important for them and each holiday had meaning and value for them and should be celebrated by them for its own sake not just because they wanted to please their parents and grandparents Over time we wrote up these discussions and added information for each holiday for our family use At the urging of many family members and friends who have since seen and liked this material we would now like to share it and make it available with this book for others to use In the book emphasis is placed on purpose meaning value joy and inspiration for each holiday and our daily lives We feel confident that the reader will find this material as valuable and useful as we have for helping to celebrate and getting the most out of the Jewish Holidays **Subject Catalog** Library of Congress, 1980 **The Cumulative Book Index**, 1980 A world list of books in the English language The biblical reason why, a family guide to Scripture readings, by the author of 'The reason why - general science'.
