A Few Good Years:

The Good Years Harold D. Lasswell, 2017-07-05 The period between 1900 and the First World War could be called the Confident Years the Buoyant Years the Spirited Years or named after some bright hopeful color like the Golden Years It could be done but such tags are the invention of pundits social historians and professional name coiners To the many varied people who lived through the era the men and women who wistfully recall marching for suffrage rebuilding San Francisco or cheering wildly for Woodrow Wilson the age was remembered as the Good Years It was a time of triumph the Wright brothers and of tragedy the Titanic Days of wealth a 200 000 ball and of poverty a child in a cotton mill earning 3 54 a week But through it all ran an exciting thread of boundless confidence and hope No one ever accused the people of that period of national indifference It is this spirit of uncontested optimism along with the pageant of great events that makes this book such rewarding reading In gathering his material Walter Lord pored over letters diaries unpublished reminiscences even Pinkerton reports filled with fascinating and until now unknown detail He traveled thousands of miles and interviewed the people who lived through the period He met with individuals who firmly believed they had been given the greatest experience anyone could ever have they knew and enjoyed the years when there was no limit to what we could and would do Lord s attention to first hand sources makes this book vivid and timeless And Leslie Lenkowsky s new introduction adds contemporary dimension to this classic work *Pretty Good Years* Jay S. Jacobs, 2006 A portrait of the talented singer songwriter traces the evolution of a musical prodigy from her early years to become one of the most important female musical voices of contemporary music revealing how she has combined her talent on the piano with inspiration from some of the most tragic incidents of her life to create musical art Original **Summary of Walter Lord's The Good Years** Everest Media, 2022-05-21T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The new century did not begin until 1901 so the Witts were a year too early But the idea that 1900 was a milestone a time to relish past accomplishments and thrill to the promise of the future was widespread 2 The country was experiencing good times in 1899 The Portland Oregonian called 1899 the most prosperous year Oregon has ever known The Cheyenne Sun Leader agreed Never has a year been ushered in with more promise 3 The new century was full of miracles endless prosperity and simple pleasures Everything was so simple that it was almost impossible to not be optimistic and confident 4 The new century was predicted to be different by many people Some saw a nation wide network of trolley car lines while others saw a pedestrian s paradise Only a few great men refused to peer into the crystal ball **The Graduate Student's Question** Walter L. Battaglia, 2006 GSQ distinguishes the philosophy of the political Left from the Right The Left is scientific and forward looking whereas the Right is emotional and backward looking The Ideal State based on Liberty Fraternity and Equality is the natural result of Left politics The implementation and survival of a humane society depends on the active participation of each citizen Book website <http://www.graduatestudentsquestion.com> *Thylacine Conspiracy* Bill

Cromer,2003-08 The Dutchman turned his mind to his mission find a rare tiger in the wilds of Thailand He did not underestimate the difficulties facing him Here on this island there had been many previous searches SUs big advantage was that he knew the tiger was alive his predecessors were sustained only by a belief that it might be *Hello, I Must Be Going*

Charlotte Chandler,2007-08-14 When Charlotte Chandler called Groucho Marx for an interview he answered the phone himself Declining to be interviewed he invited her over to his house so he could tell her no in person After talking with her for hours Groucho asked Why aren t you writing Hello I Must Be Going is the story of Groucho and the Marx Brothers told through Groucho s everyday conversations with Charlotte Chandler and his friends And what a group of friends they were Woody Allen Jack Nicholson Elliott Gould Bill Cosby Marvin Hamlisch Betty Comden Adolph Green Sidney Sheldon and dozens of others walk through the pages of this fascinating book Anyone interested in Groucho or the Marx Brothers or who wants to spend a few hours in fabulous company will find this book irresistible *The Pride of Havana* Roberto Gonzalez

Echevarria,2001-05-24 From the first amateur leagues of the 1860s to the exploits of Livan and Orlando El Duque Hernandez here is the definitive history of baseball in Cuba Roberto Gonzalez Echevarria expertly traces the arc of the game intertwining its heroes and their stories with the politics music dance and literature of the Cuban people What emerges is more than a story of balls and strikes but a richly detailed history of Cuba told from the unique cultural perch of the baseball diamond Filling a void created by Cuba s rejection of bullfighting and Spanish hegemony baseball quickly became a crucial stitch in the complex social fabric of the island By the early 1940s Cuba had become major conduit in spreading the game throughout Latin America and a proving ground for some of the greatest talent in all of baseball where white major leaguers and Negro League players from the U S all competed on the same fields with the cream of Latin talent Indeed readers will be introduced to several black ballplayers of Afro Cuban descent who played in the Major Leagues before Jackie Robinson broke the color barrier once and for all Often dramatic and always culturally resonant Gonzalez Echevarria s narrative expertly lays open the paradox of fierce Cuban independence from the U S with Cuba s love for our national pastime It shows how Fidel Castro cannily associated himself with the sport for patriotic p r and reveals that his supposed baseball talent is purely mythical Based on extensive primary research and a wealth of interviews the colorful often dramatic anecdotes and stories in this distinguished book comprise the most comprehensive history of Cuban baseball yet published and ultimately adds a vital lost chapter to the history of baseball in the U S

The Naked Trader Robbie Burns,2011-09-30 Completely updated and expanded 3rd edition The most entertaining book on how to trade shares is back and this time it s even more revealing In this completely updated and expanded third edition top trader Robbie Burns gives you the lowdown on the trading strategies you need to make money from the stock market without having to sit at a screen for every second of the day Robbie quit the rat race more than ten years ago and believes you can do it too The first two editions of The Naked Trader flew off the shelves as the glowing reviews from readers mounted up This brand new third edition contains even more essential content than before

more vital tips more key facts more ideas more insights more real life tales and an awful lot more toast Not to mention twice the number of secret trading strategies 20 proven techniques that you can use to make money from the markets Trading shares eating toast making money Robbie aka the Naked Trader is your expert and highly entertaining guide to the often baffling world of the stock market In between cups of tea rounds of toast and watching Cash in the Attic he describes the straightforward techniques that have enabled him to succeed in the markets escape the rat race and ensure he never has to wear a tie again This book tells you all you need to know to become a successful investor From how to find good shares in the first place ensuring you don't buy a complete stinker to getting your timing right minimising your losses and learning how to let your profits run And for the first time find out how Robbie even made money and protected himself during market meltdowns and how you too can defend your trading when the market throws a wobbly He also happily reveals his mistakes too If you're a complete beginner you can start here And if you're currently trading but want to learn some new ideas get reading now The Naked Trader is packed with practical and easy to follow advice with none of the incomprehensible jargon found in so many other books Robbie hates jargon and writes in plain English Whether you just want to make a few quid on the side while you're at work or eventually you want to go on to make money from the markets full time and quit work like Robbie this book is all you need to get started So grab some tea toast and relax and start trading the naked way Hearings
