A Generation Apart A Novella:

The Realist Novel Dennis Walder, 2005-08-18 This book guides the student through the fundamentals of this enduring literary form By using carefully selected novels the authors provide a lively examination of the particular themes and modes of realist novels of the period Theory of the Novel Michael McKeon, 2000-12 McKeon and others delve into the significance of the novel as a genre form issues in novel techniques such as displacement the grand theory narrative modes such as subjectivity character and development critical interpretation of the structure of the novel and the novel in historical context The Rise Of The Novel Ian Watt, 2011-04-30 In this influential study Ian Watt traces the genesis and development of the most popular of all literary forms the novel In his penetrating and original readings of Daniel Defoe Samuel Richardson and Henry Fielding he investigates the reasons why the three main eighteenth century novelist wrote in the way they did a way resulting ultimately in the modern novel of the present day The rise of the middle classes and of economic individualism the philosophical innovations of the seventeenth century complex changes in the social position of women these are some of the factors underlying an age which produced the authors of Robinson Crusoe Pamela and Tom Jones Generations Apart Leon Shaskolsky Sheleff, 1981 Argues that Freud's oedipal conflict theory is an inaccurate model of the hostility between generations and that instead adults show antagonism towards youth **The Rise of the Novel, Updated Edition** Ian Watt, 2001-06 A classic description of the interworkings of social conditions changing attitudes and literary practices during the period when the novel emerged as the dominant literary form of the individualist era **Servants and Paternalism in the Works of Maria Edgeworth and Elizabeth Gaskell** Julie Nash, 2017-11-30 Writing during periods of dramatic social change Maria Edgeworth and Elizabeth Gaskell were both attracted to the idea of radical societal transformation at the same time that their writings express nostalgia for a traditional paternalistic ruling class The author shows how this tension is played out especially through the characters of servants in short fiction and novels such as Edgeworth's *Castle Rackrent* *Belinda* and *Helen* and Gaskell's *North and South* and *Cranford* Servant characters the author contends enable these writers to give voice to the contradictions inherent in the popular paternalistic philosophy of their times because the situation of domestic servitude itself embodies such inconsistencies Servants whose labor was essential to the economic and social function of eighteenth and nineteenth century British society made up the largest category of workers in England by the nineteenth century and yet were expected to be socially invisible At the same time they lived in the same houses as their masters and mistresses and were privy to the most intimate details of their lives Both Edgeworth and Gaskell created servant characters who challenge the social hierarchy thus exposing the potential for dehumanization and corruption inherent in the paternalistic philosophy the author's study opens up important avenues for future scholars of women's fiction in the nineteenth century The Campus Novel, 2019-01-04 The Campus Novel Regional or Global presents innovative scholarship in the field of academic fiction Whereas the campus novel is traditionally considered a product of the Anglo American world

the present study opens a new perspective it elucidates the intercultural exchange between the well established Western canon of British and American academic fiction and its more recent regional response outside the Anglo American territory
