Beyond Whiteness Jonathan Karp, 2023-12-15 The concept of ethnicity once in vogue has largely gone out of fashion among twenty first century social scientists now replaced by models of assimilation defined in terms of the construction of whiteness and white supremacy *Beyond Whiteness* Revisiting Jews in Ethnic America explores the benefits of reconfiguring the ethnic concept as a tool to analyze the experiences of twentieth century American Jews not only in relation to other white groups of European descent but also African Americans and Asian Americans among others The essays presented here ranging from comparative studies of Jews and Asians as model minorities to the examination of postethnic Jews of color demonstrate that expanding ethnicity beyond the traditional Eurocentric frame can yield fresh insights into the character of Jewish life in the modern United States

Shakespeare and Abraham Ken Jackson, 2015-03-15 In *Shakespeare and Abraham* Ken Jackson illuminates William Shakespeare s dramatic fascination with the story of Abraham s near sacrifice of his son Isaac in Genesis 22 Themes of child killing fill Shakespeare s early plays Genesis 22 informed Clifford s attack on young Rutland in *3 Henry 6* Hubert s providentially thwarted murder of Arthur in *King John* and Aaron the Moor s surprising decision to spare his son amidst the filial slaughters of *Titus Andronicus* among others However the playwright s full engagement with the biblical narrative does not manifest itself exclusively in scenes involving the sacrifice of children or in verbal borrowings from the famously sparse story of Abraham Jackson argues that the most important influence of Genesis 22 and its interpretive tradition is to be found in the conceptual framework that Shakespeare develops to explore relationships among ideas of religion sovereignty law and justice Jackson probes the Shakespearean texts from the vantage of modern theology and critical theory while also orienting them toward the traditions concerning Abraham in Jewish Pauline patristic medieval and Reformation sources and early English drama Consequently the playwright s Abrahamic explorations become strikingly apparent in unexpected places such as the trial of Shylock in *The Merchant of Venice* and the bifurcated structure of *Timon of Athens* By situating Shakespeare in a complex genealogy that extends from ancient religion to postmodern philosophy Jackson inserts Shakespeare into the larger contemporary conversation about religion in the modern world

[I Will Tell No War Stories](#) Howard Mansfield, 2024-04-16 When Howard Mansfield grew up World War II was omnipresent and hidden This was also true of his father s time in the Air Force Like most of his generation it was a rule not to talk about what he d experienced in war You re not getting any war stories from me he d say Cleaning up the old family house the year before his father s death Mansfield was surprised to find a short diary of the bombing missions he had flown Some of the missions were harrowing Mansfield began to fill in the details and to be surprised again this time by a history he thought he knew *I Will Tell No War Stories* is about undoing the forgetting in a family and in a society that has hidden the horrors and cataclysm of a world at war Some part of that forgetting was necessary for the veterans otherwise how could they come home how could they find peace *I Will Tell No War Stories* is also about learning to live with history a theme Mansfield explored in earlier books like *In the Memory House* which *The New York Times* called a wise and beautiful book and *The Same Ax Twice* said by the *Times* to be filled with insight and eloquence a brilliant book

understood Fitzgerald's demons and cared for him with a survivor's strength as he alternated between wildly spectacular drunken episodes and quiet doomed gallantry Together they sought refuge in Hollywood among such friends as Dorothy Parker Robert Benchley John O'Hara and Ogden Nash With *Intimate Lies* Robert Westbrook brings a personal perspective and a sure writer's hand to this mesmerizing memoir an unforgettable love story of unrelenting power and interest Praise for *Intimate Lies* The mood should be two people free He has an overwhelming urge toward the girl who promises to give life back to him she is the heart of hope and freshness F Scott Fitzgerald notes for *The Last Tycoon* I was prepared to suffer any ordeal rather than reveal the truth about myself I thought he has chosen me I want him to be proud of the woman he has chosen He must never feel that his girl is in reality a grubby little waif who has gotten to him by a series of deceptions Sheilah Graham writing in 1958
