Compromising Situations Sharon Garrison,2017-11-27 This is a book of three short stories in a Pride and Prejudice vagary The stories all have something to do with the problem of compromising a lady which was easy to do in nineteenth century England Any small thing could cause a great deal of trouble for anyone woman who was so called compromised by a gentleman Often it would mean the man had to make a decision to do the honorable thing which in many cases was to marry the compromised woman Indeed such marriages could be problematic and it was up to the couple to come to terms with it In the stories presented Fitzwilliam Darcy and Elizabeth Bennet must determine how to deal with the resulting difficulties caused by others **Choice and Consequence** Christine Combe,2021-04-24 Fitzwilliam Darcy has been chasing after the villainous George Wickham for months to no avail In need of respite he and his cousin Colonel Fitzwilliam accompany their friend Charles Bingley to Hertfordshire to assess the estate he has leased there Darcy expects little pleasure in the small town of Meryton so finds himself surprised indeed to be instantly captivated by the charming if a trifle impertinent Elizabeth Bennet Elizabeth Bennet swears she has no interest in matrimony at present and would be happy to see all her sisters well settled before her That is until the enigmatic Mr Darcy came into the neighborhood and upended all her ideals about herself Both are candid about the reasons a match between would be undesirable yet the friendship they agree upon inevitably gives way to deeper feelings On the very night Darcy and Elizabeth acknowledge their attachment Darcy s elusive quarry turns up seeking him Wickham s claims of innocence and an inheritance take Darcy to London where an attempted compromise leads

to confrontation with his uncle the Earl of Disley Then as Elizabeth has become a player in the family drama he explains all before he is drawn away again to Surrey by a letter regarding his sister Georgiana Elizabeth is determined not to allow separation from Darcy to dampen her spirits and their romance blossoms further through correspondence Bolstering her happiness is the discovery that a relation she never had chance to meet generously left each Bennet daughter a legacy that greatly increases their prospects In London for the Season with her sisters Jane and Catherine Elizabeth is relieved to find acceptance from some of Darcy's noble relatives though their notice inadvertently leads her to the very man whose heinous actions already cost one girl her innocence and whose attempt at escape might just cost Elizabeth her life *Pride and Prejudice* Jane Austen, 1813 *The Price of Pride* Abigail Reynolds, 2020-12-15 In Love with His Brother's Betrothed As far as Fitzwilliam Darcy is concerned the only good thing to come of Elizabeth Bennet's bitter refusal of his heart and his hand was his new resolve to prove himself a better man He'd done it too by closing the painful distance between himself and his estranged younger brother Drew And now Drew is newly engaged to be married to Elizabeth Bennet Family duty forces Darcy to support the engagement especially since even the smallest hint of disapproval could ruin the brother's hard won reconciliation But how can he bear to watch his brother marry the woman he loves To see her in Drew's arms bearing Drew's children and forever out of his reach An Accidental Compromise Elizabeth has no choice but to accept an engagement to handsome Drew Darcy He's amiable educated and respectable and if it weren't for his last name she wouldn't even mind the idea But to marry the brother of the gentleman she'd so coldly rejected only months before Especially now that she realizes her feelings for him are far from sisterly How can she marry Drew while longing for his brother But the cost of breaking her engagement would be ruination and with it the loss of any hope of a life with Darcy Trapped by loyalty love and propriety there is no way out But old family secrets haunt the Darcy brothers Could those secrets when brought out in the open change everything This intensely emotional variation on Jane Austen's *Pride and Prejudice* will make you fall in love with Elizabeth and Darcy all over again
