... Versified Into English by S. Prentis. With Copious Notes Jean de LA FONTAINE,1858 **Among the Pigeons** John
L. Read,2019-05-06 During the last century global domestic cat numbers rocketed past 200 million along with a surge in cat
diseases and numbers of feral cats and sick injured and malnourished cats Cat shelters are overflowing Hundreds of
thousands of cats are euthanised every year by despondent animal welfare workers Misplaced sentimentality sometimes
promoted by corporate greed of cat food companies has exacerbated this situation through promoting irresponsible feeding
of strays Ecologist and author John Read has travelled the world consulting cat experts and collating the most recent science
In Among the Pigeons he balances the allure of indoor cats with the animal welfare human health and conservation issues
they create when allowed to roam But he also presents solutions from breeding ideal indoor pet cats to development of
humane and targeted tools to control feral cats In striking parallel to the repercussions of human induced climate change
warnings about the damage wrought by free ranging cats have been largely denied or overlooked But we ignore these issues

Emerton,2019-01-18 Jim Emerton bred and raced birds for 40 years and had birds return to the loft from as far as 879 miles
away Now in retirement from active racing he devotes his time and energies to sharing his experiences his observations and
his expertise with the rest of the fancy Here in one volume is a comprehensive collection of his thoughts about pigeons and
pigeon racing ranging from short pieces originally written for the leading fanciers magazines to full length articles and
interviews What unites us in principle is the common good of the sport and with this in mind I do what I can for others it all
oils the cogs of the sport Some will see me as a know all yet I am a quiet little man making my mark that s all What is true is
that I have made a life study of pigeons and as a teacher I like to impart knowledge and experience My aim is purely to tell it
as it is to me and if this is illuminating to others then so be it Let's Destroy Investutech Jeremy Thompson,2025-04-03
