A Lost Soul Saved

Hussin A.Rothana

A Lost Soul Saved:

To Save a Lost Soul Sam Trajan, Breag's quiet life as a family man is endangered when loyalty to a friend drives him to travel North again. Will his family be safe without him there to protect him? Or will the secrets he uncovers in Tearmann ruin everything he has worked so hard to build. Lost Soul Josephine Jeffries, 2007-10. As a child growing up I had all the love that my parents could give but the struggles growing up very poor led me to rebel and I began to live life on the wild side. In school there was constant pressure from all the other kids because I did not have all the luxuries that most of them took for granted. Skipping school, hitch hiking and getting high became my way of escape from all the pressures of growing up. At the time I didn't know it but all of this was God's plan for me to prepare me for what was ahead. There were so many times I put my life at risk just for a cheap thrill I should not be here now to write this book. But by the grace of God I was spared from my stupidity and given the opportunity to tell my story. The story of how God's love surpasses any and all struggles that this world can throw at you. This is the story of my LOST SOUL. I'm fifty-two years old and sick. My biggest dream has been to help impoverished and sick children and their families. My Lord put it in my heart to write this book. It took me one year to complete it. Many times I prayed to the Lord to allow me to help all the children. Now with the writing of this book I hope that I can. My book really is God's book. Lost Soul describes my life-long struggle to fully serve my Lord who has always even in the darkest days of my life guided me to overcoming sadness and tragedy involving my friends, relatives and myself. It took me years to grow stronger to see the joy that only Jesus can give.

Hidden and found, broken and healed Cheryl Soul2Soul, 2023-01-30. It started with Margreet's desire to flee from her parental home. Away from the realm of control, intimidation, manipulation and condemnation. She applied and was accepted for pension Bloemenzicht. It's the start of her LIFE. A part of the book Chapter 1. A big step. It seemed to be so simple but it wasn't. Margreet had decided to pack everything she thought she would need in a month into two suitcases. But what should she take with her and what not? Yesterday she had received an email from Pension Bloemenhof informing her that she had

been hired for a trial month Margreet had been as happy as a child Not so much because of the kind of work it was yet to be seen if she would like it but because she could get away away from her parental home where she d always felt she somehow didn t fit in She had walked on tiptoe figuratively to not stand out She had tried terribly hard to do everything perfectly so that she might fit in after all But apparently it had never been good enough At primary school learning was still going well but at secondary school it went wrong She did more than she could but it felt like she was missing out on everything She felt rushed and a failure It wasn t about her mind she was smart enough but about the pressure from her parents to perform way beyond her capabilities which had killed her And she had known intuitively I have to get out of here away from my parental home away from well of what It was still hard to describe and especially hard to accept that her childhood hadn t been what it should have been to accept that she hadn t gotten what she needed to be herself to develop herself into who she really was The therapist she d been with had called it the burden of intimidation and manipulation the burden of control Margreet had recognized it nodded vigorously as the therapist explained it but she couldn t turn the tide couldn t stand it she wasn t able to live the way she wanted to live Wasn t that another problem The problem that she didn t really know how she wanted to live that she didn t know what life was That she didn t know who she really was and what she really liked It had upset her for a long time She d been torn between possibilities but whatever she d come up with for and about herself she couldn t figure it out In the end she had come to only one conclusion she wasn t able to see herself through her own eyes She looked as she always had done through her parents eyes and felt that whatever came to her mind would be disapproved by them How on earth was she supposed to get off this treadmill It felt like a first big step to leave home She had scoured the internet for a job applied for all kinds of things without success until she discovered the advertisement from Pension Bloemenhof in a quiet area on the edge of a Limburg village She d sensed something that made her feel sure she had to be there and immediately sent her application email and there had been a conviction in her that she would be successful this time She had no idea why actually had thought it was quite bizarre but her feeling turned out to be correct It had been only a few hours before she got an answer back that she could come in for a trial run in November asking if she was able to come a few days before to explore the guest house and get settled in It was already the end of October so that would be very soon just about right away she thought Ha nothing better than that The sooner she could go the better And it was so ideal she had already understood from the advertisement she could live internally on her own within the guest house A place of your own within safe walls She didn t know how it was possible but it already felt that way in advance like a safe place of her own
