A Lovers Vow:

The Cousins, Or, A Woman's Promise and a Lover's Vow Mrs. Ross, 1811 *The Lovers' Dictionary* J. H., 1867 **A lover's vow** Pio Cianchettini, 1827 **The Lady's Magazine Or Entertaining Companion for the Fair Sex**, 1800 *The Lady's Magazine; Or, Entertaining Companion for the Fair Sex, Appropriated Solely to Their Use and Amusement ...*, 1800

Shakespeare's Binding Language John Kerrigan, 2016 Shakespeare's Binding Language is an innovative substantial but highly readable study exploring the significance in Shakespeare's plays of oaths, vows, contracts, pledges, and the other verbal and performative acts by which characters commit themselves to the truth of things past, present, and to come.

Under the Veil Katherine M. Quinsey, 2012-04-25 For women in early modern Europe, the Reformation and the Enlightenment entailed both new freedom and new restrictions. In response to an ideology that immured the female mind and spirit inside the body, women found in religion a hope for individual freedom, a sense of self-identity, and a justification for gender equality. Under the Veil: Feminism and Spirituality in Post-Reformation Europe invokes the veil's dual significance as the marker of the religious woman and as the metaphoric veil separating female interior life from its public construction. This collection of nine essays focuses specifically on the direct links between emergent feminism and religious faith as experienced through wide cultural, geographic, and confessional differences, united by themes of female subjectivity, selfhood, autonomy, and community. The essays range in topic and scope from the early seventeenth to the early nineteenth centuries across Europe, Britain, and North America through a wide range of experiences and written accounts; its subjects are Philadelphian visionaries and Quaker missionaries, Iroquois leaders and early Canadian nuns, Islamic societies and European female travellers, French mystics and educators, and British writers and intellectuals. These accounts reveal how women across a wide spectrum of formal beliefs and cultural backgrounds found in religion a way to negotiate the restrictions of their outward lives and a radical source of personal and collective independence and value. *The Lover's Lexicon* Frederick Greenwood, 1894 *Critical Essays on Shakespeare's A Lover's Complaint* Shirley Sharon-Zisser, 2017-05-15 Despite the outpour of interpretations from critics of all schools on Shakespeare's dramatic works and other poetic works, *A Lover's Complaint* has been almost totally ignored by criticism. This collection of essays is designed to bring to the poem the attention it deserves for its beauty, its aesthetic, psychological, and conceptual complexity, and its representation of its cultural moment. A series of readings of *A Lover's Complaint* particularly engaging with issues of psychoanalysis and gender, the volume cumulatively builds a detailed picture of the poem, its reception, and its critical neglect. The essays in the volume, by leading Shakespeareans, open up this important text, before scholars, and together generate the long-overdue critical conversation about the many intriguing facets of the poem. **A Lover's Vow** Brenda Streater Jackson, 2015 Business mogul Dalton Granger is determined to show private investigator Jules Bradford that behind all the bravado is the honest heart of a devoted son, brother, and a man whose own life is in peril.
