MORNING FOR FLAMINGOS A routine assignment transporting two death row prisoners to their execution goes fatally wrong leaving Dave Robicheaux brutally wounded and his partner dead Obsessed with revenge Dave is persuaded by the DEA to go undercover into the torrid depths of New Orleans He becomes irrevocably caught up in the nightmarish web surrounding Mafia don Tony Cardo and must pit himself against his own worst fears in order to survive A STAINED WHITE RADIANCE A bullet shot through the window of Weldon Sonnier s house propels Dave Robicheaux back into the lives of a family he s not sure he wants to be reacquainted with Weldon Sonnier s CIA influenced past has led to dangerous connections As Weldon puts himself in the line of fire Lyle Sonnier television evangelist and faith healer reveals to Dave a violent family history that intersects menacingly with Dave s own IN THE ELECTRIC MIST WITH CONFEDERATE DEAD When a movie crew arrives in New Iberia to shoot a Civil War epic Dave Robicheaux finds that it s not just the bayou s living inhabitants that are being disturbed As he hunts a sadistic killer targeting young prostitutes evidence of an earlier murder is brought to light The skeletal remains are the last echo of a crime Robicheaux himself witnessed almost forty years ago

James Lee Burke and the Soul of Dave Robicheaux Barbara Bogue, 2015-01-27 When he created the character Dave Robicheaux author James Lee Burke lent the New Orleans homicide detective a few of his own characteristics a daughter

named Alafair a lifetime struggle with alcohol his Roman Catholic faith and his love for fishing and the outdoors On the other hand Robicheaux is portrayed as a veteran of the Vietnam war something Burke never experienced firsthand Yet the demons Burke has known allow him to write convincingly about demons he never knew Thus Burke has created a realistic complex and compelling protagonist for his crime fiction series That depth is one element that elevates Burke's writing above the status of genre fiction This book explores how James Lee Burke through the first person narrative of detective Dave Robicheaux probes the world of law and order crime and disorder and one man's internal conflicts with modern moral issues The first chapter reveals the similarities and differences between real life creator and fictional protagonist Next chapters arranged by theme explore the roles of women Robicheaux's paternal side as revealed through his adopted daughter the paternal influences in the detective's own life and the contrasting personality of his half brother Jimmie The next chapters probe the roots of the detective's moral dilemmas his battle with alcohol the Vietnam war's lingering trauma and religion Next the author explores Burke's use of the supernatural sense of place and music to deepen his stories Final chapters delve into Robicheaux's moral quandaries as a law enforcement officer the character's contrast to his reckless and funny partner Clete and how Burke reveals truths about life through Robicheaux An interview with Burke is included New Hard-boiled Writers, 1970s-1990s LeRoy Panek, 2000 With an eye toward the origins and development of the hard boiled story LeRoy Lad Panek comments both on the way it has changed over the past three decades and examines the work of ten significant contemporary hardboiled writers Chapters show how the new writers have used the hard boiled story and the hard boiled hero to make powerful statements about reality in the last quarter of the twentieth century **BOOK JACKET** **A Violent Conscience** Leonard Engel, 2010-03-08 Mysteries and detective stories are among the most popular of books but the writers of such genre fiction suffer from a perception that their work is to be taken less seriously than so called literary fiction The novels of James Lee Burke one of the most distinguished writers of crime novels challenge that notion as do the 12 essays in this collection This work examines Burke as a writer who has expanded the mystery detective genre with an astonishing diversity of themes imaginative language and descriptions and unforgettable characters He seems unbounded by limitations of genre An interview with Burke is included **White Guys** Fred Pfeil, 2020-05-05 What do men white straight men in particular want In a series of witty and provocative investigations of American popular culture Fred Pfeil exposes the contradictions in the construction of white heterosexual masculinity over the last fifteen years White Guys probes such topics as the rock n roll bodies of Bruce Springsteen Axl Rose and the late Kurt Cobain the male rampage films Die Hard and Lethal Weapon and the films of sensitive transformation that followed in their wake and the curious yet symptomatic activities of the men's movement whose rituals Pfeil has investigated firsthand The Literary Function of Robicheaux's Traumatic Vietnam Experience in "Neon Rain" and "Tin Roof Blowdown" and its Contrast to the Author's Biography Urs Endhardt, 2009-06 Seminar paper from the year 2009 in the subject English Language and Literature Studies Literature grade 1.3 University of

Flensburg Englischs Institut course American Crime Fiction language English abstract In this term paper I m going to deal with the traumatic experiences of the New Orleans Police Department NOPD homicide detective Dave Robicheaux in the Vietnam War in 1965 and their literary function by examining the essential parts of the two books Neon Rain and The Tin Roof Blowdown Furthermore I will try to find out how the description of Dave s experiences and his character correlate with the biography and the character of the author For the extensive understanding of James Lee Burke I will work out a brief excursus which deals with the special features that are immanent in the southern writer due to the history of the region and the mentality of its inhabitants I hope that my essay will shed more light on the reasons why Burke uses the image of the Vietnam War so many times in his novels and give clues about his opinion about the engagement of the USA in Southeast Asia The current state of source material is quite good as Burke is a well known author and has led many interviews He also runs a very informative website with lots of links to interviews which I used extensively My main sources were of course his two books an instructive biography written by Barbara Bogue and an interesting book about the unique features of the American south

The World Is Our Home Jeffrey J. Folks, Nancy Summers Folks, 2021-10-21 Since the early 1970s southern fiction has been increasingly attentive to social issues including the continuing struggles for racial justice and gender equality the loss of a sense of social community and the decline of a coherent regional identity The essays in *The World Is Our Home* focus on writers who have explicitly addressed social and cultural issues in their fiction and drama including Dorothy Allison Horton Foote Ernest J Gaines Jill McCorkle Walker Percy Lee Smith William Styron Alice Walker and many others The contributors provide valuable insights into the transformation of southern culture over the past thirty years and probe the social and cultural divisions that persist The collection makes an important case for the centrality of social critique in contemporary southern fiction

Southern Writers at Century's End Jeffrey J. Folks, James A. Perkins, 2021-12-14 Since the end of World War II the South has experienced a greater awareness of growth and of its accompanying tensions than other regions of the United States The rapid change that climaxed with the war in Vietnam the Cold War civil rights demonstrations and Watergate has forced the traditional South to come to terms with social upheaval As the essays collected in *Southern Writers at Century's End* point out southern writing since 1975 reflects the confusion and violence that have characterized late twentieth century public culture These essays consider the work of twenty one of the foremost southern writers whose most important fiction has appeared in the last quarter of this century As the region s contemporary writers have begun to gain a wide audience critics have begun to distinguish what Hugh Holman has called the fresh the vital and the new in southern literary culture *Southern Writers at Century's End* is the first volume to take an extensive look at the current generation of southern writers Authors considered include James Lee Burke Fred Chappell Robert Drake Andre Dubus Clyde Edgerton Richard Ford Kaye Gibbons John Grisham Barry Hannah Mary Hood Josephine Humphreys Randall Kenan Richard Marius Bobbie Ann Mason Cormac McCarthy Tim McLaurin T R Pearson Lee Smith Anne Tyle r Alice Walker
