A Mother Load Of Addiction:

A Mother Load of Addiction Leila O'Shea, 2014-11-11 A Mother Load of Addiction tells of a thirty one year tumultuous walk with stumbles of emotionally draining confusion and pain in the lives of a mother and her son A journey through treatment centers jails prisons and halfway houses in the throes of drug addiction Miracles abound when you have the courage and stamina to see it through and do the hard work necessary to restore your dignity with grace *The Evil Body* April Anson, 2020-09-25 The Mother Load Meredith Ethington, 2023-04-18 Beloved author and blogger Meredith Ethington shares her experiences heart and wisdom for mothers everywhere in her newest book The Mother Load Taking an honest look at her own journey as a mother Ethington presents pieces of advice for each moment of motherhood the good the bad the ugly and every part of the in between Filled with raw honest anecdotes Ethington's portrayal of motherhood is fully transparent at times humorous at times painful never shying away from the tougher subjects of motherhood that may often get pushed under the rug While motherhood may often feel like an uphill battle Ethington is here to guide mothers inward where they are encouraged to reflect upon their own journeys as mothers Ethington's book provides readers with insights on topics such as Nurturing yourself and caring for your mental health Letting go of the idea of a road map for motherhood Practicing gratitude Releasing expectations Prioritizing authenticity over perfection Ethington draws from her own experience to present the lessons she has learned along the way including the importance of self care balance and grace amidst the busy day to day routine of many mothers With Ethington's poignant vulnerable perspective on motherhood mothers everywhere will be encouraged that the load they carry is one they never have to carry alone *Cultures of Addiction*, Breaking Free Anne Maertz, Vincent Maertz, 2018-11-24 A heartbreaking and heroic detail of a son's journey through a life of addiction and prison with a mother's perspective from the outside The Motherload Sarah Hoover, 2025-01-14 NATIONAL BESTSELLER An unflinching motherhood memoir that dares to ask what happens when what to expect when you're expecting turns out to be months of rage anguish brain fog and a total surrender of sex career and identity A long overdue reality check Oprah Daily Honest unapologetic and brutally funny Stephanie Danler New York Times bestselling author of Sweetbitter A Most Anticipated Book of 2025 by Oprah Daily Town Country and Brit Co The kid was objectively a tiny worm even worse a worm with my nose Welcome to Sarah Hoover's candid and propulsive take on motherhood where she turns the ecstatic narrative women have been fed one of immediate connection to your child followed by a joyful path of maternal discovery on its head Like most of us Sarah Hoover grew up imagining a certain life for herself and when she moved from Indiana to New York City to study art history the life she'd imagined began falling into place She got her degree in art history landed a job in a gallery made friends and met interesting artists one of whom became her husband But when Hoover got pregnant everything in her life began to unravel She felt like an imposter in her own body She grew distant from her friends and husband Anxiety fear guilt and shame threatened to swallow her She also experienced

trauma at the hands of one of her doctors a stark trigger And when her son was born there was no joy Her despair was persistent even with help therapy and pills Grieving a lost identity and angry at the world around her she found herself despising her baby her husband and herself She was afraid it might not end With the help of a doctor s diagnosis Hoover began to understand the cluster of symptoms that informed her experience she was drowning in postpartum depression and that she wasn t a bad mother or a failed woman At its core The Motherload is about learning to forgive yourself It s a rejection of the cultural idea of the mother as a perfect being And it s an honest propulsive and often funny take on the vicissitudes of marriage life and parenting a motherhood memoir unlike any other *Mother Load*: Jennifer Walcott,Nancy Garrow, Ellen O'Donnell Walters, Brenda M. Doyle, Kathy Honickman, Melanie Faye, 2022-11-28 Mother Load is a collection of memoir inner monologue poetry and short story which let readers in on some of the realities of mothering from the 1940s to the early 2000 s This kaleidoscope of courageous sometimes raw sometimes loving narratives bring to the surface the tensions that haunt mothering relationships across generations The pieces paint pictures of mothers grandmothers aunts sisters daughters and friends Grief anger and loss are here as well as insights perspective and gratitude Moreover the silence in these relationships has been highlighted what was assumed what was unquestioned or undiscussable what was too shameful or painful to be put into words The women whose work is collected here differ from one another in a myriad of ways family history and geographical location class and racial identity and education But the unity among them lies in their commitment to reflection and to the desire to go closer to their own histories and those of their families and to express the truths of their lives and their experiences In telling these stories lies hope for better *Love Addict* Ethlie Ann Vare, 2011-09 Neuroscience now shows us in living color thanks to PET scans and fMRI technology that falling in love affects our brains precisely the same way as snorting cocaine Award winning author and screenwriter Ethlie Ann Vare already knew that she s been addicted to both She survived to tell the tale with humor honesty and hope Just because something is addictive doesn t mean that you will get addicted to it But if your stomach ties up in knots while you count the seconds waiting for a phone call from that special someone if you hear a loud buzzing in your ears when you see a certain person s car or one just like it if your eyes burn when you hear a random love song or see a couple holding hands if you suffer the twin agonies of craving for and withdrawing from a series of unrequited crushes or toxic relationships if you always feel like you re clutching at someone s ankle and dragged across the floor as they try to leave the room welcome to the club With a light touch and a sharp wit Ethlie has enlisted some famous love junkies including supermodel Amber Smith movie star William McNamara and comedienne Margaret Cho and the top therapists and researchers in the field to help lead you from the dark of despair into the dawn of recovery **Werewolves and Other Shapeshifters in Popular Culture** Kimberley McMahon-Coleman,, Roslyn Weaver, 2014-10-01 In recent years shapeshifting characters in literature film and television have been on the rise This has followed the increased use of such characters as metaphors with novelists and critics identifying

specific meanings and topics behind them This book aims to unravel the shapeshifting trope Rather than pursue a case based study the works are grouped around specific themes adolescence gender sexuality race disability addiction and spirituality that are explored through the metaphor of shapeshifting Because of the transformative possibilities of this metaphor and its flexibility the shapeshifter has the potential to change how we see our world With coverage of iconic fantasy texts and a focus on current works the book engages with the shapeshifting figure in popular culture from the United States Canada the United Kingdom and Australia Instructors considering this book for use in a course may request an examination copy here
