Some Like It Wilder Gene D. Phillips, 2010-02-05 A biography of the six time Oscar winning director of films like *Some Like It Hot* and *Double Indemnity* featuring analysis of his work Although his career spanned fifty years and included more than fifty films Austrian American film director Billy Wilder 1906 2002 may be best known for the legendary shot of Marilyn Monroe's dress billowing over a subway grating in *The Seven Year Itch* 1955 This shot seen round the world is representative not only of Hollywood's golden era of cinema but also of one of its most prolific and brilliant directors Wilder whose filmography includes such classics as *Sunset Boulevard* 1950 *Sabrina* 1954 *Witness for the Prosecution* 1957 and *Some Like It Hot* 1959 is often remembered for his versatility biting wit and passion for challenging social and moral conventions Author Gene D Phillips departs from the traditional biography in *Some Like It Wilder* offering new insights into the acclaimed

director's professional and private life. In preparation for the book, Phillips conducted personal interviews with Wilder and other key players from the legendary director's life and times. Phillips's unique combination of analysis and biographical detail brings Wilder to life as both an artist and man. Phillips traces Wilder's path from Berlin, where he worked as a scriptwriter for one of the city's largest studios, to Hollywood, where he would quickly establish himself as a premier film director. Forming a partnership with writer-producer Charles Brackett, Wilder directed the classic films *Five Graves to Cairo* (1943), *Double Indemnity* (1945), and *The Lost Weekend* (1945), which earned Academy Awards for best picture, best director, and best screenplay. During the 1960s, Wilder continued to direct and produce controversial comedies, including *Kiss Me, Stupid* (1964) and *The Apartment* (1960). *The Apartment* brought Wilder another round of Oscars for best picture, best director, and best screenplay. Wilder's maverick approach and independent artistic vision pushed boundaries and ensured his legacy as one of the Hollywood greats. Sharply written, *Some Like It Wilder* serves as a comprehensive companion to Wilder's films, offering a personalized and heartfelt account of the life and genius of this compelling director. Praise for *Some Like It Wilder* Featuring Gene D. Phillips' unique in-depth critical approach, *Some Like It Wilder* provides a groundbreaking overview of a filmmaking icon. This definitive biography reveals that Wilder was and remains one of the most influential directors in filmmaking. *Turner Classic Movies* Phillips goes beyond the surface and deep into the complex mind and soul of the famous film director. This book is, in my view, definitive. Vincent LoBrutto, author of *Martin Scorsese: A Biography*
