A Night Without End:

Night Without End Alistair MacLean, 1981-12 Snow White Blood Red Seconds ago the passengers were sitting in the cozy security of their pressurized cabin with a controlled temperature of 70 Then the crash the tearing jagged screeching as the plane ripped along the ice and snow the tidal wave of the dreadful cold 40 below zero swept in and engulfed the survivors the dazed the injured the S and the dying as they sat in the crumpled wreckage of their seats wearing only thin suits and dresses And so began the terrible arctic night a night without end where the darkness would bring with it murder and betrayal and cowardice And the chilling knowledge that among them was a ruthless agent determined to carry out his desperate mission Jacket **Night without End** Jan Grabowski, Engelking, 2022-09-06 Three million Polish Jews were murdered in the Holocaust wiping out nearly 98 percent of the Jewish population who had lived and thrived there for generations Night Without End tells the stories of their resistance suffering and death in unflinching horrific detail Based on meticulous research from across Poland it concludes that those who were responsible for so many deaths included a not insignificant number of Polish villagers and townspeople who aided the Germans in locating and slaughtering Jews When these findings were first published in a Polish edition in 2018 a storm of protest and lawsuits erupted from Holocaust deniers and from people who claimed the research was falsified and smeared the national character of the Polish people Night Without End translated and published for the first time in English in association with Yad Vashem presents the critical facts significant findings and the unmistakable evidence of Polish collaboration in the genocide of Jews **A Night Without End** Susan Kearney, 2025-02-11 When Carlie Myers woke up from a blow to the head two years were erased from her memory She couldn't recall how she'd gotten to Alaska or why she was being blamed for murder And she didn't know if the sexy stranger who claimed to be her husband was telling the truth Rugged Sean McCabe wanted justice for his partner's murder Yet one look in the deep green of Carlie's eyes and he knew she was innocent Which meant she needed protection He'd told her a white lie to keep her close yet how would Sean keep his wife safe and satisfied without putting his heart in jeopardy

Night Without End DP Fitzsimons, 2017-08-06 They left the dome in ashes The last survivors of The Eden Project had to leave the cursed planet behind venturing out beyond the reaches of the solar system into trillions of miles of uncharted space They drift silently across the never ending night hoping to one day reach the next star system and begin their hunt for New Earth Days they keep busy maintaining life support systems Nights they struggle to sleep It's always night in space and when their eyes are closed the beasts can still hunt them When Gen awakens from months in deep sleep she discovers that they are not alone out there in the dark and nightmares are far more terrifying when your eyes are open **Patriotic History and the (Re)Nationalization of Memory** Kornelia Kończal, A. Dirk Moses, 2023-06-27 This book charts and traces state mandated or state encouraged patriotic histories that have recently emerged in many places around the globe Such patriotic histories can revolve around both affirmative interpretations of the past and celebration of national achievements They can

also entail explicitly denialist stances against acknowledging responsibility for past atrocities even to the extent of celebrating perpetrators Whereas in some cases patriotic history takes the shape of a coherent doctrine in others they remain limited to loosely connected narratives By combining nationalist and narcissist narratives and by disregarding or distorting historical evidence patriotic history promotes mythified monumental and moralistic interpretations of the past that posit partisan and authoritarian essentialisms and exceptionalisms Whereas the global debates in interdisciplinary memory studies revolve around concepts like cosmopolitan global multidirectional relational transcultural and transnational memory to mention but a few the actual socio political uses of history remain strikingly nation centred and one dimensional This volume collects fifteen case studies of such nationalizations of history ranging from China to the Baltic states They highlight three features of this phenomenon the ruthlessness of methods applied by many state authorities to impose certain interpretations of the past the increasing discrepancy between professional and political approaches to collective memory and the new post truth context This book will be of interest to students and researchers of international politics the radical right and global history It was originally published as a special issue of the Journal of Genocide Research

Short Fiction By Hispanic Writers of the United States Nicol s Kanellos, 1993-01-01 Short Fiction by Hispanic Writers of the United States includes representative works by the most celebrated Cuban American Mexican American and Puerto Rican writers of short fiction in the country The texts cover a full range of expression themes and styles of US Hispanics and are introduced by informative entries which place the authors in their cultural and historic frameworks In these pages the reader will not find picturesque folksy or touristy renditions of Hispanic culture Instead Short Fiction by Hispanic Writers of the United States brings together works that are clear incisive and authentic representations of Hispanic life in the United States The selections are as diverse as Hispanic culture itself and as varied as the personalities of their authors Here are Max Mart nez's outrageous challenge of racial and social structures Roberta Fern ndez's construction of Hispanic women's aesthetics Roberto Fern ndez's subversion of the English language Nicholasa Mohr's humorous attack on patriarchy and Judith Ortiz Cofer's poetic evocation of childhood and biculturalism This collection engages in aesthetic and cultural experience that will result in a re-defined canon and a new identity for the country as whole They are re-focusing our perception of ourselves as a people and a culture The pressure and the commitment to do so of course make for excellence and innovation in literary expression It also makes for enjoyable reading Short Fiction by Hispanic Writers of the United States is recommended for the general fiction reader and for use in high school and college literature classes in search of a multicultural perspective
