A Passionate Marriage Mills Boon Modern:

A Passionate Marriage (Hot-Blooded Husbands, Book 4) (Mills & Boon Modern) Michelle Reid, 2012-10-06 Wanting his wife back Greek tycoon Leandros Petronades married Isobel on the heels of a wild affair But within a year the marriage crashed and burned Three years later Leandros wants to finalize their divorce He s found a girl who will make him a suitable wife so unlike fiery Isobel *The Married Mistress* (Blackmail Brides, Book 4) (Mills & Boon Modern) Kate Walker, 2014-01-27 Gorgeous Greek tycoon Damon Nicolaides is always in the news so when the paparazzi get a tip off about his new mistress they come banging on her door **Entranced by Story** Hugh Crago, 2014-04-24 We live in a world of stories yet few of us pause to ask what stories actually are why we consume them so avidly and what they do for story makers and their audiences This book focuses on the experiences that good stories generate feelings of purposeful involvement elevation temporary loss of self vicarious emotion and relief of tension The author examines what drives writers to create stories and why readers fall under their spell why some children grow up to be writers and how the capacity for creating and comprehending stories develops from infancy right through into old age Entranced by Story applies recent research on brain function to literary examples ranging from the Iliad and Wuthering Heights to Harold and the Purple Crayon providing a groundbreaking exploration of the biological and neurological basis of the literary experience Blending research theory and biographical anecdote the author shows how it is the unique structure of the human brain with its layering of sophisticated cognitive capacities upon archaic emotion driven functions which best explains the mystery of story Passion Lynne Graham, 2011-05-20 Tilda owes Rashad the Crown Prince of Bakhar a great deal and she s expecting him to demand she settles her debt by becoming his mistress But Rashad plans to collect his payment by claiming her as his wife *The Romantic Fiction Of Mills & Boon, 1909-1995* Jay Dixon, Jay Dixon., 2016-03-23 This study to analyzes romantic fiction s depiction of women as part of the broader history of ideas about women Given the success of the Mills The author shows how all these themes have an historical trajectory and how these novels have come to reflect feminist concerns Based on a study of over 1000 Mills Boon romances the book provides analysis of plot types and shows how these have changed in response to women s own changing position within society The Slow Failure Mary E. Daly, 2006-04-06 Today Ireland s population is rising immigration outpaces emigration most families have two or at most three children and full time farmers are in steady decline But the opposite was true for more than a century from the great famine of the 1840s until the 1960s Between 1922 and 1966 most of the first fifty years after independence the population of Ireland was falling in the 1950s as rapidly as in the 1880s Mary Daly s *The Slow Failure* examines not just the reasons for the decline but the responses to it by politicians academics journalists churchmen and others who publicly agonized over their nation s slow failure Eager to reverse population decline but fearful that economic development would undermine Irish national identity they fashioned statistical evidence to support ultimately fruitless policies to encourage large rural farm families Focusing on both Irish government

and society Daly places Ireland's population history in the mainstream history of independent Ireland Daly's research reveals how pastoral visions of an ideal Ireland made it virtually impossible to reverse the fall in population Promoting large families for example contributed to late marriages actually slowing population growth further The crucial issue of emigration failed to attract serious government attention except during World War II successive Irish governments refused to provide welfare services for emigrants leaving that role to the Catholic Church Daly takes these and other elements of an often sad story weaving them into essential reading for understanding modern Irish history **Seeking Love in Modern Britain** Zoe

Strimpel,2020-03-05 Seeking Love in Modern Britain charts the emergence of the modern British single through an account of the dating industry that sprang up to serve men and women It shows how amid a period of unprecedented sexual and social change the single became a key unisex identity and lifestyle From around 1970 a growing cottage style matchmaking industry in Britain was offering the romantically solo a choice between computer dating firms such as Dateline or Computate introduction agencies and the lonely hearts pages of Private Eye Time Out and others Zoe Strimpel reveals how this rapidly expanding landscape of services was catering to a new breed of single people and how by the late 1990s singleness had become the culturally mainstream wholly expected part of the romantic life cycle that it is today Refuting the widespread idea that the Internet invented modern dating this book uses an eclectic and engaging range of first person accounts and snapshots from the time to show that the story of contemporary romance mediated courtship and singleness began in a time long before Tinder *Romance Writing* Lynne Pearce,2007-01-05 Exploring the nature of both the romance genre and the

discourse of romantic love from the 17th century to the present day this book shows how in the history of literature lovers have utilised its spark to change not only themselves but also their worlds through acts of creativity and heroism **A**
