Hope Parish Novellas Boxed Set 1 Zoe Dawson, 2015-12-14 Outlaw friends and family are featured in these three novellas where true love lives in small town hearts as well as weary travelers and big city movers and shakers Come back to Hope Parish Finally Again Evangeline Evie Outlaw has been living in emotional limbo ever since the love of her life Brody Outlaw up and left her with triplets to raise on her own in a hostile and unwelcoming town Now her boys are men and independently carving out their own lives but still living under the shadow of her husband s lineage The terrible Outlaw curse It isn t until River Pearl Sutton comes crashing into her son Braxton s life that Evie gets a wake up call in the form of intensely sexy Winchester Sutton River s uncle A sophisticated international food critic He s a man that is hard to ignore with his soft slow accent his ice blue eyes that are full of fire and a body that makes her remember what it was like to be desirable But Win is a Sutton and she married into the Outlaw curse a woman who spawned the Outlaw Unholy Trinity a woman who is still technically married She d held onto the memory of Brody for thirteen years never giving up hope he would come back never believing that he left her voluntarily But Win is flesh and blood real pursuing and charming Can she find the kind of deep abiding love she had for Brody Or will her loyalty and the bias gossip of the town tear her apart Can she finally again find love Beauty Shot Decon West arrives at Columbia University to start his freshman year But New York City is like an alien planet to him and even though he s a fish out of water he takes it in stride He expected to be homesick He expected to find the city chaotic What he hadn t expected was that the girls would be so aggressive throwing themselves at him But there s only one woman he s interested in tracking down and that s Minnie Tattersall Minnie dodged the bullet and resisted the temptation of eighteen year old Deke West when she was visiting Suttontowne Now she s hard at work on the upcoming collection she and

Verity Outlaw will be showing at Fashion Week She also finds it hard work to get Deke off her mind but easy to remember that he s much too young for her It isn t until he shows up at the show and accidentally lands on the runway modeling their clothes that things begin to heat up for them It s clear to Minnie that Deke doesn t much care that he s taking the New York City fashion scene by storm He s hell bent on breaking down her barriers and having her How will she resist Mark Me Rory Finnegan had one goal when he got out of the Marines Find a place where he can settle down and open a tattoo parlor That s when his best friend Ethan Fairchild suggests he come to Suttontowne in the Louisiana bayou It s there that Rory gets a job bartending for Braxton Outlaw and runs smack full force into gorgeous too young for him Savannah Hawkins To make matters worse she s got an over protective mother and an upper crust boyfriend It would be smart he steered clear But Marines like Rory don t back down easily especially after he gets much too involved with the southern beauty Savannah Hawkins is not sure what she s going to do with her life and is quite sick of having everyone dictate to her especially her family When she gets a load of pierced tattooed and gorgeous Rory her interest goes off the charts Complication like life decisions and a pre selected husband seem inconsequential when she gets to know this scarred and battle hardened warrior Will she discover the answers she needs or will her coming of age tear her heart apart *Wicked* Zoe Dawson,2019-01-16

Five years ago Petty Officer Orion Wicked Cross met and fell secretly in love with CIA officer Katherine Kat Harrington and their mission together went bad Even though Wicked wasn t at fault Kat blamed him and they parted bitterly Now she s missing and regardless of the bad blood between them he s going after her like he would any other hostage Maybe it s time to clear the air and put their past behind them But it all rides on an unforgiving woman who s been honed and jaded by many missions yet his heart has never let her go Kat is on her own personal mission and having to be rescued by the one man she wants to avoid only adds fuel to that inner fire She still blames him for her fianc s death and has never given him a chance to explain or mend fences Except on this mission where nothing seems to go right they find themselves thrust together on the edge of mortal danger where the lines between combatants tend to blur With Wicked constantly on her six invading her personal and professional space could the truth about what happened change her mind or tear their fragile love apart A Perfect Question Zoe Dawson,2016-01-04
