A Perhaps Line Poetry Of The Material And Immaterial Worlds

RC Schank

A Perhaps Line Poetry Of The Material And Immaterial Worlds:

A Perhaps Line Gary D. Swaim, 2014-11-20 While it is impossible to know how or when a unified view of the self and the universe became divided in our Western view of things Gary D Swaim's poems contend that our world is not dualistic Should we look to Saint Paul or Saint Augustine as responsible for the world's heart rift even occasional heart drift More likely the fault lies in our habit of seeing things as either physical or spiritual material or immaterial for the comfort of categorizing our ideas and experiences into pockets of thought in hopes of exercising a degree of imagined control over the complexities of life Although this collection is divided into halves the line separating these sections is porous or at least permeable Indeed A Perhaps Line questions whether that line exists at all with single words stanzas images and even entire poems moving back and forth between the material and the spiritual Swaim's poems are rough around their edges from passing back and forth through a perhaps line uncertain of their places arbitrarily placed here or there all partaking of the material and the spiritual in a collection that merges our divided understanding of ourselves and the universe *Madness and the Romantic Poet* James Whitehead, 2017 *Madness and the Romantic Poet* examines the longstanding and enduringly popular idea that poetry is connected to madness and mental illness The idea goes back to classical antiquity but it was given new life at the turn of the nineteenth century The book offers a new and much more complete history of its development than has previously been attempted alongside important associated ideas about individual genius creativity the emotions rationality and the mind in extreme states or disorder ideas that have been pervasive in modern popular culture More specifically the book tells the story of the initial growth and wider dissemination of the idea of the Romantic mad poet in the nineteenth century how and why this idea became so popular and how it interacted with the very different fortunes in reception and reputation of Romantic poets their poetry and attacks on or defences of Romanticism as a cultural trend generally again leaving a popular legacy that endured into the twentieth century Material covered includes nineteenth century journalism early literary criticism biography medical and psychiatric literature and poetry A wide range of scientific and pseudoscientific thinkers are discussed alongside major Romantic authors including Wordsworth Coleridge Blake Hazlitt Lamb Percy Bysshe Shelley Keats Byron and John Clare Using this array of sources and figures the book asks was the Romantic mad genius just a sentimental stereotype or a romantic myth Or does its long popularity tell us something serious about Romanticism and the role it has played or has been given in modern culture *The Complete Works: Fantasy & Sci-Fi Novels, Religious Studies, Poetry & Autobiography* C. S. Lewis, 2023-12-29 C S Lewis's *The Complete Works Fantasy Sci Fi Novels Religious Studies Poetry Autobiography* is a rich tapestry of intellectual exploration that spans multiple genres Lewis renowned for his imaginative narratives and theological insights masterfully weaves fantastical elements with profound philosophical inquiries From the enchanting realms of Narnia to the cosmic odysseys in *Out of the Silent Planet* this collection challenges the boundaries of reality while his essays in religious studies provoke deep contemplation about faith and morality evidencing a literate style

that is both accessible and profound reflective of mid 20th century thought C S Lewis a scholar of literature and a devout Christian draws from his own experiences both personal and academic to craft narratives that resonate with universal truths His time at Oxford University coupled with his conversion to Christianity during the tumultuous times of World War II profoundly influenced his writing The juxtaposition of imaginative storytelling with theological themes reflects Lewis s desire to explore human nature and spirituality amid a rapidly changing world Readers seeking a multifaceted journey through literature religion and self discovery will find Lewis s comprehensive collection a vital addition to their library This anthology not only entertains but also encourages introspection serving as an invitation to reflect on the deeper questions of existence purpose and the human condition

Paths to Contemporary French Literature John Taylor, 2017-07-05 The first volume of Paths to Contemporary French Literature offered a critical panorama of over fifty French writers and poets With this second volume John Taylor an American writer and critic who has lived in France for the past thirty years continues this ambitious and critically acclaimed project Praised for his independence curiosity intimate knowledge of European literature and his sharp reader s eye John Taylor is a writer critic who is naturally skeptical of literary fashions overnight reputations and readymade academic categories Charting the paths that have lead to the most serious and stimulating contemporary French writing he casts light on several neglected postwar French authors all the while highlighting genuine mentors and invigorating newcomers Some names Patrick Chamoiseau Pascal Quignard Jean Philippe Toussaint Jean Rouaud Francis Ponge Aime Cesaire Marguerite Yourcenar J M G Le Clezio may be familiar to the discriminating and inquisitive American reader but their work is incisively re evaluated here The book also includes a moving remembrance of Nathalie Sarraute and an evocation of the author s meetings with Julien Gracq Other writers in this second volume are equally deserving authors whose work is highly respected by their peers in France yet little known in English speaking countries Taylor s pioneering elucidations in this respect are particularly valuable This second volume also examines a number of non French originally non French speaking writers such as Gherasim Luca Petr Kral Armen Lubin Venus Ghoura Khata Piotr Rawicz as well as Samuel Beckett who chose French as their literary idiom Taylor is in a perfect position to understand their motivations struggles and goals In a day and age when so little is known in English speaking countries about foreign literature and when so little is translated the two volumes of Paths to Contemporary French Literature are absorb

Futures of Enlightenment Poetry Dustin D. Stewart, 2020 Explores the creative work of writers and theologians who used their poetic writings as a means to explore and envisage scenarios of embodiment and existence that extended to life after bodily death

Critical Essays on William Wordsworth George H. Gilpin, 1990 This first collection of criticism on the British poet to appear in 18 years includes several critical essays on each of his major works Lyrical Ballads 1798 Ode Intimations of Immortality 1807 and The Prelude 1850 as well as essays on his life and writing in general Contributors include established scholars M H Abrams and Carl Woodring and newer scholars Susan Wolfson and Richard Matiak Among the highlights is an new essay by

Alan Grob responding to recent controversy over whether Wordsworth's ideology was radical or reactionary **The World-Literary System and the Atlantic** Sorcha Gunne, Neil Lazarus, 2020-12-30 The World Literary System and the Atlantic grapples with key questions about how American studies and the Atlantic region in general engages with new considerations of literary comparativism international literary space and the world literary system The edited collection furthers these discussions by placing them into a relationship with the theory of combined and uneven development a theory that has a long pedigree in Marxist sociology and political economy and that continues to stimulate debate across the social sciences but whose implications for culture have received less attention Drawing on the comparative modes concepts and methods being developed in the new world literary studies the essays cover a diverse range of topics such as the periodization of world literature racism and the world system singular modernity critical realism commodity frontiers semi peripherality and world ecology The chapters in this book were originally published in the journal Atlantic Studies

Cassell's library of English literature, selected, ed. and arranged by H. Morley Cassell, Ltd, 1876 **Czesław Miłosz's Faith in the Flesh** Stanley Bill, 2021 A study of the writings of Polish laureate Czesław Miłosz's that focuses on the poet's attempts to recover perspectives on transcendence and religious belief in a secular age through creative engagement with sensual or material experience **Śiwarātrikalpa of MPU Tanakuñ** Tanakuñ, 2013-06-29 In the fifteenth century the ritual called the Night of Śiwa was well known in South India more specifically in the Empire of Vijayanagara which was flourishing at that time A Javanese poet of those days Mpu Tanakuñ by name who had become acquainted with the ritual wrote a didactic poem which aimed to make it known and have it accepted in his own country For this religious message he employed the form of the kakawin the court poem or kavya of Java and in imitation of Indian naxxels he clad his message in the tale of the hunter Lubdhaka who despite his sinful existence was able to share the bliss of heaven through the simple fact that by accident and unawares he fulfilled the essential elements of the ritual It is not known whether the poet's efforts met with success in Java itself his poem did however remain known in Bali the preserver of so many items of medieval Javanese culture Not only have Balinese priests laid down and elaborated in religious works the ritual which he proclaimed but the poem has also inspired Balinese artists to make paintings in former centuries as well as this And so the story with its religious message from India by way of the inspiration of a Javanese poet has become part of the Indonesian cultural heritage Five centuries after Tanakuñ **The World's Best Orations** David Josiah Brewer, 1899 The text of thousands of speeches from all historical periods through the 19th century arranged in alphabetical order Cassell's library of English literature, selected, ed. and arranged by H. Morley. [5 vols., issued in 48 pt.]. Cassell Ltd, 1893 Early Modern Women's Manuscript Poetry Jill Seal Millman, Gillian Wright, 2005-05-20 Early modern women's manuscript poetry is an anthology of texts by fourteen women poets writing between 1589 and 1706 It is the only currently available anthology of early modern women's writing which focuses exclusively on manuscript material Authors include Mary Sidney Lucy Hutchinson and

Katherine Philips central figures in the emerging canon of early modern women writers but whose work appears in a fresh and very different light in the manuscript context emphasised by this anthology The volume also includes substantial excerpts from a recently discovered verse paraphrase of Genesis thought to be by the previously unknown seventeenth century writer Mary Roper as well as selections from the unjustly neglected poet Hester Pulter The Genius of Haiku Reginald Horace Blyth,1994 Poetic Investigations Paul Naylor,1999 This text studies five contemporary writers whose radical engagements with poetic form and political content shed new light on issues of race class and gender In a detailed reading of three American poets Susan Howe Nathaniel Mackey and Lyn Hejinian and two Caribbean poets Kamau Brathwaite and M Nourbese Philip the book argues that these writers have produced new forms of poetry that address the holes in history that more traditional forms of poetry neglect By refusing to limit their work to lyrical expressions of personal experience it maintains that these writers produce poetry that explores the linguistic historical and political conditions of contemporary culture advancing a formally and thematically challenging critique of the ways in which women and people of colour are represented Far from constituting a unified school of poetry however the book argues that these five writers represent different facets of the various kinds of poetic practice taking place on the margins of contemporary culture

Critic and Literary World Jeannette Leonard Gilder,Joseph Benson Gilder,1891 *The Variorum Edition of the Poetry of John Donne, Volume 6* John Donne,1995 Based on an exhaustive study of the manuscript and print history of Donne s poetry this edition presents newly edited critical texts of the poems and a comprehensive digest of the critical scholarly commentary on them from Donne s time forward Textual introductions briefly locate the poems in the context of Donne s life or poetic development outline the 17th century textual history of the poems and sketch the treatment of the text by modern editors A detailed textual apparatus presents variants collated from many sources and traces the lines of textual transmission Provided by publisher **The popular educator** Popular educator,1876 **Verse and Poetics in George Herbert and John**

Donne Dr Frances Cruickshank,2013-04-28 Innovative and highly readable this study traces George Herbert s and John Donne s development of a distinct poetics through close readings of their poems references to their letters sermons and prose treatises and to other contemporary poets and theorists In demonstrating a relationship between poetics and religious consciousness in Donne s and Herbert s verse Frances Cruickshank explores their attitudes to the cultural theological and aesthetic enterprise of writing and reading verse Cruickshank shows that Donne and Herbert regarded poetry as a mode not determined by its social and political contexts but as operating in and on them with its own distinct set of aesthetic and intellectual values and that ultimately verse mattered as a privileged mode of religious discourse This book is an important contribution to the ongoing scholarly dialogue about the nature of literary and cultural study of early modern England and about the relationship between the writer and the world Cruickshank confirms Donne s reputation as a fascinating and brilliant poetic figure while simultaneously rousing interest in Herbert by noting his unique merging of rusticity and urbanity

and tranquility and uncertainty allowing the reader to enter into these poets imaginative worlds and to understand the literary genre they embraced and then transformed

Delphi Complete Works of Arthur Machen (Illustrated) Arthur Machen, 2014-09-11 The supernatural tales of the Welsh mystic author Arthur Machen have played an instrumental though in recent times semi forgotten part in the history of horror fiction Famous tales such as The Great God Pan and The Three Impostors have shocked and intrigued readers for over a hundred years retaining the same raw power that first outraged Victorian readers For the first time in publishing history Delphi Classics is proud to present the complete fictional works of Arthur Machen with numerous illustrations informative introductions many rare non fiction works and the usual Delphi bonus material Version 1 Beautifully illustrated with images relating to Machen s life and works Concise introductions to the novels and other texts ALL four novels with individual contents tables Rare novels like THE GREEN ROUND appear here for the first time in digital print Images of how the books were first printed giving your eReader a taste of the original texts Excellent formatting of the texts Rare short story collections like THE CHRONICLE OF CLEMENDY appearing in print for the first time in many years Special chronological and alphabetical contents tables for the short stories Rare uncollected tales over 110 grisly Machen stories for you to explore Easily locate the short stories you want to read Includes Machen s letters spend hours exploring the author s personal correspondence Special criticism section with Starrett s seminal essay evaluating Machen s contribution to literature Features Machen s first autobiography discover the author s early life and first inspirations Scholarly ordering of texts into chronological order and literary genres Please note The House of the Hidden Light cannot appear in this collection due to being published for the first time in 2003 and therefore not being in the public domain Once new texts enter the public domain they will be added to the eBook as a free update Please visit www.delphiclassics.com to browse through our range of exciting titles

Enjoying the Track of Phrase: An Psychological Symphony within **A Perhaps Line Poetry Of The Material And Immaterial Worlds**

In some sort of used by displays and the ceaseless chatter of quick transmission, the melodic beauty and psychological symphony developed by the published word usually fade into the backdrop, eclipsed by the persistent noise and interruptions that permeate our lives. But, nestled within the pages of **A Perhaps Line Poetry Of The Material And Immaterial Worlds** a charming literary treasure brimming with fresh emotions, lies an immersive symphony waiting to be embraced. Crafted by a masterful composer of language, that interesting masterpiece conducts visitors on a psychological trip, skillfully unraveling the concealed tunes and profound impact resonating within each carefully constructed phrase. Within the depths of the moving analysis, we shall discover the book is main harmonies, analyze its enthralling publishing fashion, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
