Core Instruction

Standards: 1.2

Resources: Teacher's Resource Book: Input Script, p. 24; Clip Art, pp. 36–38; Audio Script, p. 25; Voc. and Gram. Transparencies 27–28; Audio Program: Tracks 1–2

Focus: Presenting vocabulary related to school activities, classroom items, and school rules.

Suggestions: The *A primera vista* presents new vocabulary in context and provides lexical examples of the grammar structures that will be explained in the chapter. The first two pages present vocabulary in visual and communicative context. The next two pages present vocabulary in the context of the *Videohistoria* reading.

Present this vocabulary in two groups: classroom tasks and items used to complete them, and classroom rules. Use the Input Script from the *Teacher's Resource Book* or the story from the *TPR Stories Book* to present the new vocabulary and grammar.

To practice new expressions, make enlarged photocopies of the images on this page, or use the Transparencies. Hold up or point to each picture as you ask students limited-response questions: for example, *¿La profesora le explica a la estudiante cómo usar el laboratorio?*

Write the rules from p. 19 on a large piece of poster board. Using non-verbal cues, pretend to break some of the rules. After each one you "break," have a volunteer come to the front of the room and point to the appropriate rule. Have students decide which rules apply to your classroom. Cut them out and display them on a bulletin board.

Variation: *Prohibe* may be written with or without an accent mark. The written accent mark on this and a number of other words was authorized by the *Real Academia Española* in 1952 to reflect contemporary pronunciation.

Bellringer Review

Write these letters on the board and ask the students to unscramble them to create Spanish words for class items:

ihomda; alclacuradeo; arcepat; ifrabogol; noilb; lizáp

(Answers: mochila, calculadora, carpeta, bolígrafo, libro, lápiz)

Con un marco teórico rico y ponderado que integra todos los aspectos de la semántica cognitiva, la lexicología histórica y la pragmática, se analizan enunciados reales extraídos de la prensa económica. A partir de estos se describe el procesamiento cognitivo de las metáforas creativas en el uso y las funciones que estas pueden desempeñar en el discurso. Los más de 3 000 enunciados obtenidos se clasifican en términos estructurales y semánticos. Luego se exponen algunos patrones frecuentes de procesamiento cognitivo asociados a la metáfora creativa, tales como la metafonimia, metáfora basada en la metonimia y la integración conceptual. Estos procesos combinan elementos conceptuales de origen convencional y original para producir expresiones creativas. Con el tiempo, estas últimas pueden volverse parte del sistema de la lengua. El significado de las expresiones metafóricas se contempla también dentro de su contexto de uso histórico y social. Las metáforas pueden cumplir diversas funciones en la lengua, en el discurso e incluso en la mente del interlocutor. En el contexto político de Chile y España se identifican algunas metáforas ideológicas y contraideológicas que demuestran cómo hacer cosas con metáforas para influir con éxito en el discurso público. **La pareja humana en situación irregular** Jose Silvio Botero, 2009 Prentice Hall Spanish Realidades Practice Workbook Level 3 1st Edition 2004c Prentice-Hall Staff, 2000-05 Presents a Spanish language grammar and vocabulary practice workbook to accompany a text book for classes in high school Spanish Materiales, estrategias y recursos en la enseñanza del español como 2/L Concha Moreno García, 2011 La formación inicial y continua del profesorado de español como segunda lengua (EL2) o como lengua extranjera (ELE) requiere de instrumentos que acompañen en el trabajo diario en el aula y que contribuyan a la profesionalización de este colectivo. Va destinado a quienes perciben que los conocimientos académicos no son suficientes para actuar en el aula de español. A personas que, al punto de terminar sus estudios, se plantean enseñar español de manera profesional en cualquier institución oficial.
