Murray,2024-04-24 As I researched the title of this book I discovered that there are so many families that were torn apart by their sons or daughters They were raised with love and compassion yet they decided to venture out on their own in a far

country to live a life free from the authority of their parents When life doesn't go the way they thought losing everything they inherit and ending up in low down situations they finally come to their senses What kind of sons return home to their parents

Brown, 1996 Essays on African American politics literature and music by Sterling A Brown 1901 1989 which point out the biases against black Americans in white cultural expression and argue for a recognition of the cultural contributions of African Americans The Return of the Prodigal Son Henri J. Nouwen, 1994 The Prodigal Son Returns David Kryn, 2014-11-20

The Prodigal Son Returns is an adaption of the most famous parable in the Bible When confronted by the religious Pharisees of the day about why He eats with sinners Jesus Christ responds with this parable A young son essentially tells his father to drop dead and to give him his share of the family fortune The son then leaves home and squanders his money on wild living Penniless and alone the son comes to his senses and decides to return home The reaction he receives from his family forms the message of the story Beautifully illustrated in full color by David Kryn The Prodigal Son Returns also features a study guide designed for Bible Studies or Sunday School It is the perfect

accompaniment for anyone at any point on their Christian journey **The Return of the Prodigal Son** Henri J. M. Nouwen, 1994-03-01 With over a million copies sold this classic work is essential reading for all who ask Where has my struggle led me A chance encounter with a reproduction of Rembrandt's The Return of the Prodigal Son catapulted Henri Nouwen on an unforgettable spiritual adventure Here he shares the deeply personal and resonant meditation that led him to discover the place within where God has chosen to dwell As Nouwen reflects on Rembrandt's painting in light of his own life journey he evokes a powerful drama of the classic parable in a rich captivating way that is sure to reverberate in the hearts of readers Nouwen probes the several movements of the parable the younger son's return the father's restoration of sonship the elder son's resentfulness and the father's compassion The themes of homecoming affirmation and reconciliation will be newly discovered by all who have known loneliness dejection jealousy or anger The challenge to love as God loves and to be loved as God's beloved will be seen as the ultimate revelation of the parable known to Christians throughout time and is here represented with a vigor and power fresh for our times **Paul's Letter to Philemon: A Historical and Exegetical**

Commentary Joshua Houston, 2019-12-31 Many commentaries overlook or briefly discuss the small book of Philemon The letter is often grouped with the other prison letters of Paul and has rarely received its own attention However the letter to Philemon demands its own commentary There is much to say concerning these 25 short verses Once we see ourselves in Onesimus Philemon and Paul we can see its truth that still resonates with us today Symphony #1 in a Minor Key Alan A. Block, 2012-04-17 When instruments are harmoniously joined together beautiful music ensues Just as in a classic symphony life often occurs in phases or movements In his creative comparison Symphony 1 in a Minor Key literary exegete Alan Block shares his philosophies on four movements reflected in his own life each loosely modeled on a different musical form linked to the emotions of a life both fully lived and joyously celebrated In the first movement Sonata Allegro Block juxtaposes

biblical stories with personal experiences as he explores the contradictory nature of what it means to leave home in search of another home In the second movement representing a slow march to and from the grave he focuses his examination on the funerals of three very different people from a Jewish perspective In strong contrast Block presents a glimpse into his absurd daily world in the third movement punctuated by jokes and commentary Finally he shares a celebration of life and hope inspired by the final movement of Beethovens Seventh Symphony encouraging others to be open to the sublime and realize that none of our worlds is perfect Symphony 1 in a Minor Key shares one mans reflections as he offers a fascinating meditation on life death and everything in between
