A New Dictionary French and English, with another English and French, etc Guy Miege,1679 A New Dictionary French and English, with another English and French; according to the present use and modern orthography of the French, etc Guy Miège,1677 **A Short Dictionary English and French, with another French and English. According to the present use, and modern orthography** Guy Miege,1684 A French and English Dictionary. Composed by M. Randle Cotgrave: with Another in English and French. Whereunto are Added Sundry Animadversionis, with Supplements of Many Hundreds of Words Never Before Printed; with Accurate Castigations Throughout the Whole Work, and Distinctions of the Obsolete Words From Those that are Now in Use. Together with a Large Grammar, and a Dialogue Consisting of All Gallicismes, with Additions of the Most Useful and Significant Proverbs, with Other Refinements According to Cardinal Richelieu's Late Academy. For the Furtherance of Young Learners, and the Advantage of All Others that Endeavour to Arrive to the Most Exact Knowledge of the French Language, this Work is Exposed to Publick, by James Howell Esq; Inter Eruditos Cathedram Habeat Polyglottes Randle Cotgrave,1673 *Beyond the Paradox of the Nostalgic Modernist* Elisabeth M. Donato,2004 This investigation of J K Huysmans representation of temporality sheds light on the complex and paradoxical nature of this late nineteenth century novelist and art critic who was a modernist steeped in nostalgia as well as a nostalgic steeped in modernity To unveil and understand the mechanisms and logic of this paradox Elisabeth M Donato examines Huysmans characters dealings with measured time and schedules investigates the failure of des Esseintes aesthetic experiment and relates the novelist s construct of spiritualist naturalism to his increasingly frequent and intense longings for his own medieval utopia Donato s new perspective onto the intricate relationship between modernity and nostalgia underscores Huysmans firm and very modern stance rebours of commonality in his never ending search for a solution to his dilemma Literature and Material Culture from Balzac to Proust Janell Watson,2000-01-13 This book addresses the issues of collecting consuming classifying and describing the curiosities antiques and objets d art that proliferated in French literary texts during the last decades of the nineteenth century After Balzac made such issues significant in canonical literature the Goncourt brothers Huysmans Mallarm and Maupassant celebrated their golden age Flaubert and Zola scorned them Rachilde and Lorrain perverted them Proust commemorated their last moments of glory Focusing on the bibelot the modern French term for knick knack curiosity or other collectible Janell Watson shows how the sudden prominence given to curiosities and collecting in nineteenth century literature signals a massive change in attitudes to the world of goods which in turn restructured the literary text according to the practical logic of daily life calling into question established scholarly notions of order Her study makes an important contribution to the literary history of material culture A New Dictionary French and English, with another English and French, etc Guy Miège,1679 *Art in Literature, Literature in Art in 19th Century France* Emilie Sitzia,2011-12-08 The traditional relationship between painting and literature underwent a profound change in

nineteenth century France Painting progressively asserted its independence from literature as it liberated itself from narrative obligations whilst interrogating the concept of subject matter itself Simultaneously the influence of art on the writing styles of authors increased and the character of the artist established itself as a recurring motif in French literature This book offers a panoramic review of the relationship between art and literature in nineteenth century France By means of a series of case studies chosen from key moments throughout the nineteenth century the aim of this study is to provide a focused analysis of specific examples of this relationship revealing both its multifaceted nature as well as offering a panorama of the development of this on going and increasingly complex cultural relationship From Jacques Louis David s irreverence for classical texts to Victor Hugo s graphic works from Edouard Manet s illustrations to Vincent Van Gogh s paintings of books from Honor de Balzac s Unknown Masterpiece to Joris Karl Huysmans s A Rebours this interdisciplinary investigation of the links between literature and art in France throws new light on both fields of creative endeavour during a critical phase of France s cultural history **A History of French Passions 1848-1945** Theodore Zeldin,1993 No QB copy

Decadence and Catholicism Ellis Hanson,1997 Romantic writers had found in Christianity a poetic cult of the imagination an assertion of the spiritual quality of beauty in an age of vulgar materialism The decadents a diverse movement of writers were the climax and exhaustion of this romantic tradition In their art they enacted the romance of faith as a protest against the dreariness of modern life Ellis Hanson teases out two strands eroticism and aestheticism that rendered the decadent interest in Catholicism extraordinary More than any other literary movement the decadents explored the powerful historical relationship between homoeroticism and Roman Catholicism Why throughout history have so many homosexuals been attracted to Catholic institutions that vociferously condemn homosexuality This perplexing question is pursued in this elegant and innovative book Late nineteenth century aesthetes found in the Church a peculiar language that gave them a means of artistic and sexual expression The brilliant cast of characters that parades through this book includes Oscar Wilde Charles Baudelaire J K Huysmans Walter Pater and Paul Verlaine Art for these writers was a mystical and erotic experience In decadent Catholicism we can glimpse the beginnings of a postmodern valorization of perversity and performativity Catholicism offered both the hysterical symptom and the last hope for paganism amid the dullness of Victorian puritanism and bourgeois materialism
