Aliens Captive Captured By Aliens English Edition:

Alien Lord's Captive Mina Carter, 2017-12-07 She s trained for everything up to and including alien invasion One problem No one told her aliens would be so damn sexy It s simple When her base is attacked by aliens Cat has to fight Whenever and however possible But the alien leader Tarrick has her in his sights and she has one choice Come to his bed or things go badly for her friends Determined to resist it s hard to remember what she s fighting against when her alien captor is built like a god and his touch sets her body on fire She only has to fool him for a while just long enough to get the information they need to escape Long enough to find out her alien captor isn t the monster she thought But when the time comes will she want to leave He needs a female or they all die His species is dying Not today maybe not tomorrow but with no females their days are numbered Finding a base full of females is a bounty Tarrick can t ignore Nor can he ignore the delicate little female who stirs his blood yet dares to defy him at every step Then a dangerous rival challenges his claim on Terran space and all it s females He can t afford to lose control or his clan is doomed When his treasured female is taken he ll do anything to rescue her Including starting an intergalactic war

Alien Corsair's Abducted Bride Miranda Martin, 2022-08-03 When things get dangerous your backs against the wall and the only person who s willing to help is a massive dragon warrior with gleaming scales sharp fangs and huge talon tipped wings Drakon I m an outcast a scavenger a lone trader making meager runs between isolated planets on the outer rim It s quiet outside the occasional pirate and I like it My desire for fortune wealth and glory are a far away dream until I stumble upon a beautiful human queen One look at her and I will move worlds to make her mine She doesn t trust me because she s been hurt and that has left her untrusting of all aliens I m intent on earning her trust but right when I think I m making progress we re attacked by a pirate seeking revenge Instead he and his crew take her I ll save her even if it means sacrificing my own life Betsie First contact with the cat faced aliens went badly They abducted me and I became an object of their abuses When I m rescued by a large scaly green alien with claws fangs and huge talon tipped wings I m not feeling hopeful about trading alien masters Stranded on an uninhabited planet after his rescue I m slowly accepting the fact that he s different than my former masters When I m noticing how insanely handsome the dragon looking alien is and how hot he looks without a shirt on all hell breaks loose I had no idea that we were being hunted or that a group of pirates is intent on getting revenge against Drakon Or that their plans include selling me back into slavery When they attack Drakon and I are forced to work together in order to survive The pirates have us outgunned at every turn and when they capture me I m forced to accept that this time there will be no rescue My one hope is the Draconian warrior who might or might not be coming

The Myth and Mystery of UFOs Thomas E. Bullard, 2016-10-17 When United Airlines workers reported a UFO at O Hare Airport in November 2006 it was met with the typical denials and hush up that usually accompany such sightings But when a related story broke the record for hits at the Chicago Tribune s website it was clear that such unexplained objects continued to occupy the minds of fascinated readers Why wonders Thomas Bullard don t such

persistent sightings command more urgent attention from scientists scholars and mainstream journalists The answer in part lies in Bullard s wide ranging magisterial survey of the mysterious frustrating and ever evolving phenomenon that refuses to go away and our collective efforts to understand it In his trailblazing book Bullard views those efforts through the lens of mythmaking discovering what UFO accounts tell us about ourselves our beliefs and the possibility of visitors from beyond Bullard shows how ongoing grassroots interest in UFOs stems both from actual personal experiences and from a cultural mythology that defines such encounters as somehow alien and how it views relentless official denial as a part of conspiracy to hide the truth He also describes how UFOs have catalyzed the evolution of a new but highly fractured belief system that borrows heavily from the human past and mythic themes and which UFO witnesses and researchers use to make sense of such phenomena and our place in the cosmos Bullard s book takes in the whole spectrum of speculations on alien visitations and abductions magically advanced technologies governmental conspiracies varieties of religious salvation apocalyptic fears and other paranormal experiences Along the way Bullard investigates how UFOs have inspired books movies and television series blurred the boundaries between science science fiction and religion and crowded the Internet with websites and discussion groups From the patches of this crazy quilt he posits evidence that a genuine phenomenon seems to exist outside the myth Enormously erudite and endlessly engaging Bullard s study is a sky watcher s guide to the studies stories and debates that this elusive subject has inspired It shows that despite all the competing interests and errors clouding the subject there is substance beneath the clutter a genuinely mysterious phenomenon that deserves attention as more than a myth

Trapped with Her Alien Mate Kate Rudolph,Starr Huntress,2020-11-09 Last minute holiday shopping should be a breeze That s Jody s thought as she walks into the store Then she spots the hottest alien she s ever seen But any fantasy she might have is interrupted when the next guy walks in He looks like Santa Evil Santa And he s got evil toys to keep her and the other shoppers locked in the store so he can do evil things to them Jody s determined to get out and hot alien Aldyn is determined to help her And if they can defeat Evil Santa she might just find a hot Detyen male in her life and under her tree

Caught between Worlds Joe Snader,2021-10-21 The captivity narrative has always been a literary genre associated with America Joe Snader argues however that captivity narratives emerged much earlier in Britain coinciding with European colonial expansion the development of anthropology and the rise of liberal political thought Stories of Europeans held captive in the Middle East America Africa and Southeast Asia appeared in the British press from the late sixteenth through the late eighteenth centuries and captivity narratives were frequently featured during the early development of the novel Until the mid eighteenth century British examples of the genre outpaced their American cousins in length frequency of publication attention to anthropological detail and subjective complexity Using both new and canonical texts Snader shows that foreign captivity was a favorite topic in eighteenth century Britain An adaptable and expansive genre these narratives used set plots and stereotypes originating in Mediterranean power struggles and relocated in a variety of settings particularly eastern lands

The narratives rhetorical strategies and cultural assumptions often grew out of centuries of religious strife and coincided with Europe's early modern military ascendancy Caught Between Worlds presents a broad rich and flexible definition of the captivity narrative placing the American strain in its proper place within the tradition as a whole Snader having assembled the first bibliography of British captivity narratives analyzes both factual texts and a large body of fictional works revealing the ways they helped define British identity and challenged Britons to rethink the place of their nation in the larger world
