All About George Washington Biography:

History of the George Washington Bicentennial Celebration United States George Washington Bicentennial Commission, 1932 **George Washington: First President of the United States (Presidential Biographies)** Jevon Bolden, 2021-02-23 Meet George Washington Founding Father general in the American Revolution and our first president in this introduction for young readers After the Continental Army won the American Revolution General George Washington was an easy pick to be the new nation's first president But when George Washington took office no one knew what the president's job should be or how the country should be run During his two terms Washington set the standard for the office and helped shape our democracy Many people remember Washington as one of if not the country's greatest leader ABOUT THIS SERIES This series of engaging in depth books introduces readers to the people who have led our country since its very first days Lively text and colorful illustrations are supplemented by fun facts a timeline and even a sampling of the subject's most famous quotes Presidential Biographies will be the first books kids reach for when writing a report or if they're simply looking for a fascinating read George Washington Barbara J. Mitnick, William S. Ayres, 1999 It is also an image that has resisted fundamental revision over the course of two centuries because of the force of Washington's character the clarity of his political purposes and the intensity of his charisma **George Washington** Horace Elisha Scudder, 1889 Washington's exploits such as crossing the Delaware during the Revolutionary War becoming President of the U S and chopping down the cherry tree are well known But Washington was also a product of historical factors and influenced them as well Scudder well qualified to write Washington's biography concentrates on little known events such as Washington's relationship with American Indians and the British army prior to the Revolutionary War One fun read for anyone interested in American History **George Washington's Washington** Adam Costanzo, 2018 Introduction Part I Grand visions and financial disasters Dreams of metropolis Speculating in failure A boomtown without a boom Part II A federal town on the Potomac Jeffersonians and the federal city The limits of local control Part III Making the capital national 1814 1828 Saving and rebuilding Washington Striving to be a national city Part IV The seat of a continental empire A symbolic national capital Federal intervention Epilogue **Glenn Brown's History of the United States Capitol** Glenn Brown, 2007 Plastics discusses plastic as a material the different manufacturing and processing techniques historical uses current uses an explanation of the harmful effects on the environment and how to reuse and recycle plastics Additionally this title features a table of contents glossary index color photographs diagrams recycling sidebars statistics and recommended websites for further exploration **The Pennsylvania Magazine of History and Biography**, 1895 **Hidden History of Alexandria, D.C.** Michael Lee Pope, 2011-09-23 Go inside the long forgotten 19th century period when Alexandria left Virginia and incorporated itself into the fledgling District of Columbia This groundbreaking history uncovers the time in the 19th century when Alexandria left the commonwealth of Virginia and became incorporated into the emerging District of

Columbia It was an experiment that failed after half a century of neglect and a growing animosity between North and South However it was a fascinating time when cannon were dragged onto city streets for political rallies candidates plied their voters with liquor and devastating fires ravaged the city **George Washington** Benjamin Proudfit,2014-12-15 George Washington served as the first president of the United States and he only had one real tooth when he took office Washington's life is full of interesting information that gets left out when the story of the noble president is told in history classes In this volume readers learn what Washington liked to do about his family and how he dressed Full color photographs of Mount Vernon and portraits of Washington engage readers with perhaps the most important Founding Father and fact boxes add truly surprising fun bits of information about him *The Real George Washington* Eric Braun,2019 George Washington did not throw a silver dollar across a mile wide river but he did suppress the first rebellion against the government of his newly formed nation In Washington's case the true stories are more interesting than the myths And many people today may not realize that in the end the way he left public life was just as important as anything he did in it Provided by publisher

George Washington's Final Battle Robert P. Watson,2021-02-15 George Washington's Final Battle tells the little known story of how the country's first president tirelessly advocated for a capital on the shores of the Potomac Although Washington died just months before the federal government's relocation his vision and influence live on in the city that bears his name

WCDS History Papers Joseph Cook, Editor,2014-10-07 A collection of essays by the members of the junior class at Wayne Country Day School compiled as a part of a fundraiser for the class treasury **Washington's Crossing** David Hackett Fischer,2004 Six months after the Declaration of Independence the American Revolution was all but lost A powerful British force had routed the Americans at New York occupied three colonies and advanced within sight of Philadelphia George Washington lost 90 percent of his army and was driven across the Delaware River Panic and despair spread through the states **A Catalogue of the Law Collection at New York University** Julius J. Marke,1999 Marke Julius J Editor A Catalogue of the Law Collection at New York University With Selected Annotations New York The Law Center of New York University 1953 xxxi 1372 pp Reprinted 1999 by The Lawbook Exchange Ltd LCCN 99 19939 ISBN 1 886363 91 9 Cloth 195 Reprint of the massive well annotated catalogue compiled by the librarian of the School of Law at New York University Classifies approximately 15 000 works excluding foreign law by Sources of the Law History of Law and its Institutions Public and Private Law Comparative Law Jurisprudence and Philosophy of Law Political and Economic Theory Trials Biography Law and Literature Periodicals and Serials and Reference Material With a thorough subject and author index This reference volume will be of continuous value to the legal scholar and bibliographer due not only to the works included but to the authoritative annotations often citing more than one source Besterman A World Bibliography of Bibliographies 3461

Washington Irving and the Fantasy of Masculinity Heinz Tschachler,2022-01-17 Washington Irving remains one of the most recognized American authors of the 19th century remembered for short stories like Rip van Winkle and The Legend

of *Sleepy Hollow* He also accomplished other writing feats including penning George Washington's biography and other life stories Throughout his life Irving was at odds with socially approved ways of being a man Irving purportedly saw himself and was seen by others as feminine shy and non confrontational Likely related to this he chose to engage with other men's fortunes and adventures by writing defining his male identity vicariously through masculine archetypes both fictional and non fictional Sitting at the intersection of literary studies and masculinity studies this reading reconstructs Irving's life long struggle to somehow win a place among other men Readers will recognize masculine themes in his tales from the Spanish period his western adventures as well as in historical biographies of Columbus Mahomet and Washington In many writings by Irving especially *Sleepy Hollow* readers will observe themes dominated by masculinity The book is the first of its kind to encompass and examine Irving's writings **George Washington Biographies** Tabatha Crittenden,2021-04-24 The book tells you about the life of the first American president He was the first President of the United States a successful planter and businessman You will learn more about the life and heritage of George Washington **Directory of Web Sites** Graham Bennett,1999 Overloaded with the mass of information on the Internet Frustrated by how difficult it is to find what you really want Now you don't need to spend hours browsing around the Internet or grappling with the huge number of hits from an Internet search engine the Directory of Web Sites will take you straight to the best educational sites on the Internet From archaeology to zoology from dance to technology the Directory provides information more than 5 500 carefully selected Web sites that represent the best of what the Internet has to offer The sites are grouped by subject each one features a full description and the text is complemented throughout by screenshots and fact boxes As well sites have been selected purely on educational merit all sites with overtly commercial content and influence from Internet providers have been excluded

George Washington: an Historical Biography Horace Elisha Scudder,1889 Washington's exploits such as crossing the Delaware during the Revolutionary War becoming President of the U S and chopping down the cherry tree are well known But Washington was also a product of historical factors and influenced them as well Scudder well qualified to write Washington's biography concentrates on little known events such as Washington's relationship with American Indians and the British army prior to the Revolutionary War One fun read for anyone interested in American History **Forensics II** Harry A. Milman PhD,2022-07-24 George Washington the former first president of the United States lay in his bed suffering from a high fever a raw throat and labored breathing His three physicians milled around his bed treating Washington with blisters of cantharides tartar emetic and bloodletting removing nearly 40 percent of his total blood volume and causing excruciating pain When Washington finally was relieved of his misery and died the three doctors could not agree what caused his death **Forensics II The Science Behind the Deaths of Famous and Infamous People** reads like a mystery novel presenting biographical and scientific information that helps readers understand how medical examiners coroners utilized forensic analysis to determine the causes and manners of death of thirty six famous and infamous people including Napoleon

Bonaparte a French military leader and politician Charles Whitman the University of Texas tower shooter Bruce Lee an actor and martial artist Kurt Cobain the lead singer of Nirvana Jim Jones a key figure in the Jonestown massacre Aretha Franklin a singer songwriter Alexander Litvinenko a former officer of the Russian Federal Security Service Jeffrey Epstein a financier and convicted sex offender and many more The book is based on a review of publicly available autopsy and toxicology reports published lay articles and the scientific literature Of the deaths reviewed 39 percent were due to natural causes 19 percent were accidental and 6 17 percent were suicides The remaining deaths comprise three cases each of homicide and justifiable homicide by police one case of court mandated execution and three cases in which the manner of death was undetermined
