

Animal Farm ESSAY QUESTIONS

The day of the test is _____

I would like to answer one of the following in class: _____

- Choose the four you would most want to answer. On the day of the test make sure these questions are marked on this question sheet. I will then randomly assign each person a question from those five. This essay will be worth 50 points.
 - After you are assigned your questions, you will write a five paragraph essay in class. Make sure you begin with a short introduction and by stating a thesis for your answer and end with a conclusion. Be sure to include three main points and several examples to support your points. Try to even include direct quotes from the book to help make your point. If you have time, you can ask for an additional essay question to be answered for extra credit (up to 10 points). You will be able to use any notes, worksheets and the novel. You could even do some prewriting/a graphic organizer for the topics you're choosing. The suggested thesis statements are just that—suggestions. You do not have to use them, but they might give you some ideas of how to get started. You won't be marked down for using them or not using them.

 4. Snowball writes the seven major "commandments" of Animalism on the barn wall. Do you think these laws are appropriate? Can you think of any that should have been added?
 - a. Suggested thesis: The seven commandments in George Orwell's *Animal Farm* are/are not appropriate; the animals should have included commandments concerning _____, _____, and _____.
 5. If Snowball had seized power, would the outcome have changed? Would Animal Farm be a better place? Explain why/why not. Make sure you use examples from the novel to make your point.
