Mathematical Logic, Revised Edition Willard QUINE,2009-06-30 W V Quine s systematic development of mathematical logic has been widely praised for the new material presented and for the clarity of its exposition This revised edition in which the minor inconsistencies observed since its first publication have been eliminated will be welcomed by all students and teachers in mathematics and philosophy who are seriously concerned with modern logic Max Black in *Mind* has said of this book It will serve the purpose of inculcating by precept and example standards of clarity and precision which are even in formal logic more often pursued than achieved

The Pivot of Civilization in Historical Perspective Margaret Sanger,2003-09 Today s heated debates over social issues such as abortion birth control ethnicity immigration race religion sexual behavior and welfare did not begin in the 1960s They began in the last years of the nineteenth century and reached their zenith in the 1920s when this book sold over 200 000 copies Here is all the text of Margaret Sanger s 1922 best seller along with 31 chapters by her contemporaries to set what she advocated in historical perspective This is not history told after the fire and passion have died out These are words spoken in the heat of battle at a time when Sanger and others believed that the fate of civilization depended on their ideas winning acceptance here and around the world

Judith Man Amelia A. Zurcher,2017-03-02 An Epitome of the History of Faïre Argenis and Polyarchus is Judith Man s English translation of a 1623 French work by Nicolas Coeffeteau *Histoire de Poliarque et d Argenis* which is

itself an abridgement and translation of one of the most widely read fictional works of the seventeenth century John Barclay's 1621 Latin romance *Argenis* An extended political allegory of the rise to power of the French king Henri IV Barclay's romance is peppered with numerous veiled anecdotes of politics at the English and other European courts and long disquisitions on statecraft and political ethics It has been assumed that Barclay's work was strictly for a male audience but Man's translation is evidence that women did in fact read *Argenis* and might even suggest that allegorical romance offered women writers and readers an inroad into political discourse
