Mother Tongues Barbara Johnson, 2003-11-30 Charles Baudelaire Walter Benjamin and Sylvia Plath make up the odd trio on which this book is based It is in the surprising and revealing links between them links pertaining to troublesome mothers elusive foreign languages and professional disappointments that Barbara Johnson maps the coordinates of her larger claims about the ideal of oneness in every area of life and about the damage done by this ideal The existence of sexual difference precludes an original or ultimate one who would represent all of mankind the plurality of languages makes it impossible to think that one doesn't live in translation and the plurality of the sexes means that every human being came from a woman's body and some will reproduce this feat while others won't In her most personal and deeply considered book about difference Johnson asks Is the mother the guardian of a oneness we have never had The relations that link mothers bodies words and laws serve as the guiding puzzles as she searches for an answer *Weekly Compilation of Presidential Documents*, 1996 *In the Spaces Between* Mónica Bello, 2025-01-22 CERN is familiar to us as the largest physics laboratory in the world responsible for many world first scientific discoveries Growing alongside this immense human endeavour an extraordinary arts programme has developed that explores the captivating beauty of particle physics In the Spaces Between is a multifaceted journey through this unique fusion of art and science Edited by Mónica Bello curator and head of Arts at CERN this volume reflects on the history of a programme that has brought together the perspectives of artists and scientists to explore how the fundamental elements of matter and energy interplay between observation imagination and experimentation From quantum fields and dark matter to the philosophical dimensions of physics we delve into the profound and speculative realms inspired by CERN This book is a thoughtful celebration on how creativity and curiosity ignite when diverse minds engage with the still unknown fields of research nature and reality **An American Dictionary of the English Language** Noah Webster, 1877 **The Complete Tales by Henry James - Delphi Classics (Illustrated)** Henry James, 2017-07-17 This eBook features the unabridged text of The Complete Tales from the bestselling edition of The Complete Works of Henry James Having established their name as the leading publisher of classic literature and art Delphi Classics produce publications that are individually crafted with superior formatting while introducing many rare texts for the first time in digital print The Delphi Classics edition of James includes original annotations and illustrations relating to the life and works of the author as well as individual tables of contents allowing you to navigate eBooks quickly and easily eBook features The complete unabridged text of The Complete Tales Beautifully illustrated with images related to James's works Individual contents table allowing easy navigation around the eBook Excellent formatting of the text Please visit www.delphiclassics.com to learn more about our wide range of titles **The Aspern Papers by Henry James - Delphi Classics (Illustrated)** Henry James, 2017-07-17 This eBook features the unabridged text of The Aspern Papers from the bestselling edition of The Complete Works of Henry James Having established their name as the leading publisher of classic literature

Blue Mercy Orna Ross, 2020-09-21 A literary family drama with patricide at its heart When Mercy Mulcahy was 40 years old she was accused of killing her elderly and tyrannical father Now at the end of her life she has completed a book about what really happened on that fateful night of Christmas Eve 1989 The tragic and beautiful Mercy has devoted her life to protecting Star from her grandfather His behavior so blighted her own life as a child she never wanted it to touch her darling daughter Yet Star refuses to read a word Her contempt for Mercy is as painful as it is inexplicable What has Mercy done What is she hiding Was her father s death as many believe an assisted suicide Or something even more sinister In this book nothing is what it seems on the surface and everywhere there are emotional twists and surprises Set in Ireland and California *Blue Mercy* is a compelling family mystery combining lyrical description with a page turning style Praise for Orna Ross and *Blue Mercy* A lyrical gripping and heartbreakingly beautiful tale of love loss and the ever present possibility of redemption WE Magazine for Women Epic sweep ambitious scope an intelligent book Sunday Tribune A riveting story vividly brought to life Emigrant Online

The Turn of the Screw and Other Short Works Henry James, 2016-05-03 Four of the best known and best loved works of short fiction by a recognized master of the genre Henry James was a master of psychology subtlety and suspense He created fear by using shadows rather than by conjuring up monsters He created terror by showing the eyes of the terrorized not by revealing what horrifying vision they had seen While *The Turn of the Screw* induces fear through general impressions and subjective visions the other stories in this volume probe different uncomfortable feelings desire longing deep dissatisfaction The four novellas in this collection *The Turn of the Screw* *Daisy Miller* *The Aspern Papers* *The Beast in the Jungle* each offers its own surprise twist an unexpected event or understanding that alters how the story is understood And with each surprise James reminds us that terror and tragedy can spring up even in the most banal settings and that one need look no further than one s own heart to find fear
