All's Well that Ends Well William Shakespeare, 2003 The New Cambridge Shakespeare appeals to students worldwide for its up to date scholarship and emphasis on performance The series features line by line commentaries and textual notes on the plays and poems Introductions are regularly refreshed with accounts of new critical stage and screen interpretations For the second edition of *All's Well That Ends Well* Alexander Leggatt has written a completely new introduction to Russell Fraser's text of one of Shakespeare's most puzzling ambiguous and demanding plays Leggatt's interest in performance is evident throughout the introduction particularly in his discussion of the instability of the main characters He also provides a full illustrated and thoughtful account of the play's critical and theatrical fortunes to the end of the twentieth century and explores our experience as an audience of seeing and hearing the play performed An updated reading list completes the volume

All's Well that Ends Well by William Shakespeare, 1971 **The Works of William Shakespeare: All's well that ends well** William Shakespeare, 1894 *All's Well That Ends Well* William Shakespeare, 2023-08-27 Reproduction of the original The publishing house Megali specialises in reproducing historical works in large print to make reading easier for people with impaired vision (*Illustrated*) *All's Well That Ends Well* by William Shakespeare William

Shakespeare, 2019-10-27 *All's Well That Ends Well* is a play by William Shakespeare published in the First Folio in 1623 where it is listed among the comedies There is a debate regarding the dating of the composition of the play with possible dates ranging from 1598 to 1608 The play is considered one of Shakespeare's problem plays a play that poses complex ethical dilemmas that require more than typically simple solutions Helena the low born ward of a French Spanish countess is in love with the countess's son Bertram who is indifferent to her Bertram goes to Paris to replace his late father as attendant to the ailing King of France Helena the daughter of a recently deceased physician follows Bertram ostensibly to offer the King her services as a healer The King is sceptical and she guarantees the cure with her life if he dies she will be put to death but if he lives she may choose a husband from the court The King is cured and Helena chooses Bertram who rejects her owing to her poverty and low status The King forces him to marry her but after the ceremony Bertram immediately goes to war in Italy without so much as a goodbye kiss He says that he will only marry her after she has borne his child and wears his family ring Helena returns home to the countess who is horrified at what her son has done and claims Helena as her child in Bertram's place In Italy Bertram is a successful warrior and also a successful seducer of local virgins Helena follows him to Italy befriends Diana a virgin with whom Bertram is infatuated and they arrange for Helena to take Diana's place in bed Diana obtains Bertram's ring in exchange for one of Helena's In this way Helena without Bertram's knowledge consummates their marriage and wears his ring Helena fakes her own death Bertram thinking he is free of her comes home He tries to marry a local lord's daughter but Diana shows up and breaks up the engagement Helena appears and explains the ring swap announcing that she has fulfilled Bertram's challenge Bertram impressed by all she has done to win him swears his love to

her Thus all ends well There is a subplot about Parolles a disloyal associate of Bertram s Some of the lords at the court attempt to get Bertram to know that his friend Parolles is a boasting coward as Lafew and the Countess have also said They convince Parolles to cross into enemy territory to fetch a drum that he left behind While on his way they pose as enemy soldiers kidnap him blindfold him and with Bertram observing get him to betray his friends and besmirch Bertram s character Bertram the son of a widowed countess sets off from Roussillon with his friend Parolles and the Lord Lafew to the French court He is the ward of the French king He is unaware that Helena orphan daughter of the countess physician raised in the household of the countess is in love with him The countess gives her permission to try and cure the king s illness No one has been able to cure him but Helena succeeds and as a reward the king invites her to choose a husband from among his wards She chooses Bertram Bertram s ambitions for a wife go beyond her however and although he marries her on the king s orders he runs away with Parolles to fight in the wars in Italy He writes a letter to Helena telling her that he will not recognise the marriage until she can demonstrate that she is wearing his heirloom ring and carrying his child

All's Well that Ends Well William Shakespeare,2004 The First Folio of 1623 is the definitive edition of Shakespeare s plays It is more often than not the closest we can now get to what Shakespeare actually wrote But the Folio s antiquated typography and cramped layout make it remote and inaccessible to modern eyes The Shakespeare Folios on the other hand offer easy access directly to the First Folio by presenting the text in modern type but otherwise unchanged All the First Folio s idiosyncrasies of layout and spelling even its obvious errors have been scrupulously left intact but the text suddenly becomes as easily legible as the script of any modern play As an additional aid to understanding readers will find printed opposite each page of the Folio the very same passage in a modern edition So whenever the Folio presents a problem the reader can refer to this parallel text for a solution either in the text itself or in the set of notes at the end of the book These notes draw on the long tradition of Shakespearean scholarship and include full reference to surviving Quarto texts
