The first system of musical notation for 'All I Ask' is in 4/4 time with a key signature of two sharps (F# and C#). It consists of a vocal melody line and a piano accompaniment. The vocal line begins with a whole rest, followed by a repeat sign, and then continues with eighth notes. The piano accompaniment features a steady eighth-note pattern in the right hand and a bass line with half notes and whole notes in the left hand.

The second system of musical notation continues the song. It includes two vocal lines: Line 1: 'I will leave my heart at the door, I won't' and Line 2: 'I don't need your hon - es ty, it's al-read-y in'. The piano accompaniment continues with the same eighth-note pattern in the right hand and a bass line in the left hand.

The third system of musical notation continues the song. It includes two vocal lines: Line 1: 'say your a word, eyes' and Line 2: 'they've all been said be - fore and I'm sure my eyes, they'. The piano accompaniment continues with the same eighth-note pattern in the right hand and a bass line in the left hand.

everything else has been lost Journalist and scholar Stephanie Salda a who lived in Syria before the war sets out on a journey across nine countries to meet refugees and learn what they salvaged from the ruins when they escaped Now in the narratives of six extraordinary women and men from Mt Sinjar to Aleppo to Lesvos to Amsterdam we discover that the little things matter a great deal Salda a introduces us to a woman who saved her city in a dress a musician who saved his stories in songs and a couple who rebuilt their destroyed pharmacy even as the city around them fell apart Together they provide a window into a religiously diverse corner of the Middle East on the edge of unraveling and the people keeping it alive with their stories Born of years of friendship and reporting What We Remember Will Be Saved is a breathtaking elegiac odyssey into the heart of the largest refugee crisis in modern history It reminds us that refugees are storytellers and speakers of vanishing languages and of how much history can be distilled into a piece of fabric or eggplant seeds What we salvage tells our story What we remember will be saved

A Place for T Robert H. Lengel,2023-01-17 Dr Lengel offers a thought provoking twist on Aesop s Hare Tortoise fable reframing it as a Human Race pitting our Hare brained heads against our Tortoise inspired hearts As we run faster and faster in our Hare like pursuits of wealth power and status we are leaving no place for the slow and steady Tortoise to speak for our humanity As a result the author poses the possibility we are creating a world with our intellects and technology that we can t relate to emotionally and spiritually We might be outrunning our humanity and setting the stage for the Hare to win this human race by default Our inability to engage each other in civil and respectful conversations the hate and violence infecting our culture and leadership failures in organizations might be evidence this sinister end is fast approaching This book is a hard hitting and at times poetic invitation to step back from our busy lives sit with the author on his front porch and question our lives and work It is an inspirational reminder of Mahatma Gandhi s warning that there is more to life than simply increasing its speed In a conversational format Dr Lengel guides us down a hopeful path forward a path illuminated

by what he calls divergent thinking His words are a siren call to wake up and realize we can't afford Hare-brained progress at the cost of our souls We need A Place for T in our lives now to account for the unaccountable while we still have time
