The Truth About Men DeVon Franklin,2020-02-25 The New York Times bestselling author of The Wait and spiritual teacher for our times Oprah Winfrey frankly and openly explores why men behave the way they do and what everyone men and women alike need to know about it We hear it all the time Men cheat Men love power Men love sex Men are greedy Men are dogs But is this really the truth about men In this groundbreaking book DeVon Franklin dishes the real truth by making the compelling case that men aren t dogs but all men share the same struggle He provides the manual for how men can change both on a personal and a societal level by providing practical solutions for helping men learn how to resist temptation how to practice self control and how to love But The Truth About Men isn t just for men DeVon tells female readers everything they need to know about men He offers women a real time understanding of how men s struggles affect them insights that can help them navigate their relationships with men and information on how to heal from the damage that some misbehaving men may have inflicted This book is a raw informative and accessible look at an issue that threatens to tear our society apart yet it offers a positive way forward for men and women alike *Blood Truth* J.R. Ward,2020-02-25 The 1 New York Times bestselling author of the utterly absorbing Angela Knight New York Times bestselling author Black Dagger Brotherhood series and The Savior brings you the next sizzling and passionate paranormal romance in the Black Dagger Legacy series As a trainee in the Black Dagger Brotherhood s program Boone has triumphed as a soldier and now fights side by side with the Brothers Following his sire s unexpected death he is taken off rotation against his protests and finds himself working with a former homicide cop to catch a serial killer Someone is targeting females of the species at a live action role play club When the Brotherhood is called in to help Boone insists on being part of the effort and the last thing he expects to meet is an enticing mysterious female who changes his life forever Ever since her sister was murdered at the club Helaine has been committed to finding her killer no matter the danger she faces When she crosses paths with Boone she doesn t know whether to trust him and then she has no choice As she herself becomes a target and someone close to the Brotherhood is identified as the prime suspect the two must work together to solve the mystery before it s too late Will a madman come between the lovers or will true love and goodness triumph over a very mortal evil Finding Truth in Fiction Karen Dill-Shackleford,Cynthia Vinney,2020 In Finding Truth in Fiction two media psychologists reveal that there s much more to our desire to seek out stories in film TV and books than simple diversion fiction can help us find truth in our real lives By exploring our relationship with fictional stories and characters the authors will examine the influence of fiction on our identities the paradox of trying to separate actors from the roles they play and the types of stories we are drawn to over and

over From Urban Legends to Political Fact-Checking William Aspray, James W. Cortada, 2019-08-12 This text presents an historical examination of political fact checking highlighting how this is part of a larger phenomenon of online scrutiny that manifests itself in multiple forms Reflecting the long history of fake facts in America the book discusses important developments in this area from the emergence of the public Internet in the 1990s to the start of the Trump Clinton presidential election campaigns Topics and features describes how some of the major players in political fact checking began with the purpose of scrutinizing and debunking of urban legends considers how this was part of a wider culture encompassing B grade horror movies truth or fiction television shows and groups warning about computer viruses explains how such developments are connected revealing political fact checking as one of many forms of scrutiny applied in the face of a complex dangerous world provides a range of detailed case studies covering such topics as the rumors surrounding the 9 11 terrorist attacks and academic interest in contemporary legends discusses how pre Internet technologies such as bulletin boards Usenet and proprietary online service providers such as CompuServe and AOL were used to both disseminate and debunk urban legends examines the rise of political fact checking reviewing all of the major initiatives in this area undertaken in the United States This timely study touches on issues of popular culture and major events and offers profiles of colorful individuals and organizations and as such will appeal to a broad audience interested in the history of fact checking and efforts to protect the political process from falsehoods Computational Engineering of Historical Memories Andrea Nanetti, 2022-09-26 Nanetti outlines a methodology for deploying artificial intelligence and machine learning to enhance historical research Historical events are the treasure of human experiences the heritage that societies have used to remain resilient and express their identities Nanetti has created and developed an interdisciplinary methodology supported by practice based research that serves as a pathway between historical and computer sciences to design and build computational structures that analyse how societies create narratives about historical events This consilience pathway aims to make historical memory machine understandable It turns history into a computational discipline through an interdisciplinary blend of philological accuracy historical scholarship history based media projects and computational tools Nanetti presents the theory behind this methodology from a humanities perspective and discusses its practical application in user interface and experience An essential read for historians and scholars working in the digital humanities
