America Turning A Nation To God:

America ,2015 Dr Tony Evans not only examines the root of our nation s social economic and political unrest but presents a plan for reclaiming freedom morality and strength We hold within the collective body of Christ not only the power but also the capacity to put our country back on the path of ascendancy This straightforward teaching when embraced by believers in our nation will usher in the greatest revival in American history *Healing America Calling Hearts Back To God* Jeff

Hovsepian,2025-04-25 America was founded and grew upon faith in God and was blessed for it with great abundance and influence in the world But America has since turned away from God And God in response has given America over to life outside his blessings evidenced by the turmoil we see in culture today discord and division anger and hostility wickedness depravity and sin of all kind It is a pattern that played out many times in Biblical history when the people of Israel forgot God and his goodness toward them turned away from him and worshipped idols And God after repeated attempts to call them back removed his blessings and gave them over into the hands of their enemies Yet by way of his great faithfulness love and mercy God offers a way back which is the call of this book In *Healing America* Jeff discusses the foundations of faith in America its turn away from God the consequences of turning away from God the influences of Satan and his dark forces and offers three specific things we can do today to heal America and return to God s blessings Cry Out to the Lord Intimate

of America Leo J. Battenhausen MA MSW LCSW LCADC,2018-03-06 Today America s most dangerous enemies are not the terrorists or those wanting to kill us They are the unseen evil forces that have been slowly depleting us of morality decency and value in God Evil has taken a seat not only in our movies media music and schools but in our White House The Evolution of America has been eroding what our Forefathers fought and suffered to create and is turning the United States into a country void of everything Godly we once stood proudly on as the greatest nation in the world Author Leo J Battenhausen exposes the true reality of the battle between good and evil going on in America today for our souls and how politics and the media are working together with evil to gather them up in droves The Evolution of America is a must read for every citizen of

Christian America and the Kingdom of God Richard T. Hughes,2010-10-01 The idea of the United States as a Christian nation is a powerful seductive and potentially destructive theme in American life culture and politics And yet as Richard T Hughes reveals in this powerful book the biblical vision of the kingdom of God stands at odds with the values and actions of an American empire that sanctions war instead of peace promotes dominance and oppression instead of reconciliation and exalts wealth and power instead of justice for the poor and needy With extensive analysis of both Christian scripture and American history from the founding of the republic to the present day Christian America and the Kingdom of God illuminates the devastating irony of a Christian America that so often behaves in unchristian ways , **Our Nation Under God** Michael McHugh,1997-07 This U S history text covers the history of our nation in a more expanded fashion Students learn about the great events of American history from a traditional conservative perspective Comprehension questions and map work activities are included in this colorful history book Grade 2 *One Nation Under God: A Factual History of America's Religious Heritage* Leon G.
