Chinese America Birgit Zinzius, 2005 Chinese America Stereotype and Reality is a comprehensive and fascinating textbook about the Chinese in America Covering more than 150 years of history the book documents the increasing importance of the Chinese as a social group from immigration history to the latest immigration legislation from educational achievements to socio cultural and political accomplishments Employing the author s detailed knowledge of the Chinese Diaspora combined with her meticulous research the book explores the history diversity socio cultural structures networks

and achievements of this often overlooked ethnicity It highlights how based on their current position Chinese Americans are well placed to play a major role in future relations between China and the United States the two largest economies of the twenty first century **Chinese American Transnationalism** Sucheng Chan,2006 Chinese American Transnationalism considers the many ways in which Chinese living in the United States during the exclusion era maintained ties with China through a constant interchange of people and economic resources as well as political and cultural ideas This book continues the exploration of the exclusion era begun in two previous volumes Entry Denied which examines the strategies that Chinese Americans used to protest undermine and circumvent the exclusion laws and Claiming America which traces the development of Chinese American ethnic identities Taken together the three volumes underscore the complexities of the Chinese immigrant experience and the ways in which its contexts changed over the sixty one year period Of Orphans and Warriors Gloria Heyung Chun,2000 Of Orphans and Warriors explores the social and cultural history of largely urban American born Chinese from the 1930s through the 1990s focusing primarily on those living in California Chun thus opens a window onto the ways in which these Americans born of Chinese ancestry negotiated their identity over a half century

Unbound Feet Judy Yung,2023-11-15 The crippling custom of footbinding is the thematic touchstone for Judy Yung s engrossing study of Chinese American women during the first half of the twentieth century Using this symbol of subjugation to examine social change in the lives of these women she shows the stages of unbinding that occurred in the decades between the turn of the century and the end of World War II The setting for this captivating history is San Francisco which had the largest Chinese population in the United States Yung a second generation Chinese American born and raised in San Francisco uses an impressive range of sources to tell her story Oral history interviews previously unknown autobiographies both English and Chinese language newspapers government census records and exceptional photographs from public archives and private collections combine to make this a richly human document as well as an illuminating treatise on race gender and class dynamics While presenting larger social trends Yung highlights the many individual experiences of Chinese American women and her skill as an oral history interviewer gives this work an immediacy that is poignant and effective Her analysis of intraethnic class rifts a major gap in ethnic history sheds important light on the difficulties that Chinese American women faced in their own communities Yung provides a more accurate view of their lives than has existed before revealing the many ways that these women rather than being passive victims of oppression were active agents in the making of their own history The crippling custom of footbinding is the thematic touchstone for Judy Yung s engrossing study of Chinese American women during the first half of the twentieth century Using this symbol of subjugation to examine social change in the lives of these women **The Power of Chinatown** Dr. Laureen D. Hom,2024-06-18 Urban Chinatowns are dynamic contested spaces that have persevered amid changes in the American cityscape These neighborhoods are significant for many from the residents and workers who rely on them for their livelihoods to the broader Chinese American community and

political leaders who recognize their cultural heritage and economic value In *The Power of Chinatown* Lauren D Hom provides a critical examination of the politics shaping the trajectory of development in Los Angeles Chinatown one of the oldest urban Chinatowns in the United States Working from ethnographic fieldwork Hom chronicles how Chinese Americans continue to gravitate to this space despite being a geographically dispersed community and how they have both resisted and encouraged processes of gentrification and displacement *The Power of Chinatown* bridges understandings of community geography political economy and race to show the complexities and contradictions of building community power illuminating how these place based ethnic politics might give rise to a more expansive vision of Asian American belonging and a just city for all

American Paper Son Wayne Hung Wong, 2024-04-22 In the early and mid twentieth century Chinese migrants evaded draconian anti immigrant laws by entering the US under false papers that identified them as the sons of people who had returned to China to marry Wayne Hung Wong tells the story of his life after emigrating to Wichita Kansas as a thirteen year old paper son After working in his father s restaurant as a teen Wong served in an all Chinese Air Force unit stationed in China during World War II His account traces the impact of race and segregation on his service experience and follows his postwar life from finding a wife in Taishan through his involvement in the government s amnesty program for Chinese immigrants and career in real estate Throughout Wong describes the realities of life as part of a small Chinese American community in a midwestern town Vivid and rich with poignant insights *American Paper Son* explores twentieth century Asian American history through one person s experiences

Chinese Heritage in British Christianity Alexander Chow, 2025-03-28 This is a critical and unique time for British Chinese Christians On the one hand the national churches of each of Britain s four nations have experienced an unprecedented decline in church attendance On the other hand British Chinese Christianity is today amongst the fastest growing Christian populations in the United Kingdom But there is a much longer history in the background with the first Chinese Christian in Britain dated to the 17th century and a sizeable population existing since the late 19th century eventually creating the first Chinese church established in Liverpool in 1910 This book tells the story of the rise of British Chinese Christianity and how the British Chinese have been shaping and reshaping the future of British Christianity It brings together theological educators church ministers and parachurch leaders in a collaborative project speaking to the historical and contemporary situation of British Chinese Christianity and prospects moving forward
