The Handy American Government Answer Book Gina Misiroglu, 2017-12-01. A practical, accessible, engaging, and comprehensive guide to how American democracy works and how it sometimes doesn't work. The stakes have never been higher: national security, civil liberties, the economy, the future of the republic. Yet few outside Washington actually understand how our government and political system should work, much less how it actually operates. On one level, it's a complex, interlocking world veiled in power brokering, bureaucracy, and big money. On another, it's the biggest, richest, most influential organization in the world for better or worse. Understanding how modern America is managed and governed is more vital than ever, but television, radio, newspapers, and social media frequently aim to spin, seduce, and sell product rather than serve anything resembling the truth. Filling the breach and answering basic questions about how our

very complex government operates and what it promises The Handy American Government Answer Book How Washington Politics and Elections Work takes a comprehensive look at the systems people and policies that comprise American democracy providing much needed clarity to the current political drama This informative book traces the historic development of the government the functions of each branch of government and how they work together It provides clear and concise definitions of who does what and why Written in an entertaining reader friendly question and answer format The Handy American Government Answer Book deciphers the news behind the headlines through well researched answers to nearly 800 common questions You will also read about such fascinating tidbits as Why is America s democratic system considered so precious How are shifting demographics related to the electorate What can Americans do to influence their government Did the framers of the Constitution place equal weight on the concepts of liberty equality and democracy What does checks and balances mean What generally happens when members of Congress act inappropriately How many presidents have been impeached How does a case reach the U S Supreme Court Which president appointed the most justices How do civil liberties differ from civil rights How does the Bill of Rights protect individual liberties Is measuring public opinion a new phenomenon in politics What does the concept majority rule with minority rights mean Why has trust in the government declined What does it mean to lobby How are PAC donations and political decisions linked Where do the party symbols of the donkey and the elephant come from What is electoral realignment Who pays for the campaigns of candidates Did the electoral college ever vote unanimously for a president This handy primer also includes numerous illustrations graphs tables a helpful bibliography and an extensive index adding to its usefulness In the midst of the overheated rhetoric of the moment and the fast changing crisis dominated world a well informed citizenry armed with The Handy American Government Answer Book is the best defense against political and corporate chicanery **American Government:**
