, 1998-04 **Nexus Analysis** Ronald Scollon, Suzanne B. K. Scollon, 2004 Review Using as a study their own experience of pioneering computer mediated communication in Alaska in the late 1970s and early 1980s the authors conduct a nexus analysis of those events and discourses As email and audio video conferencing technologies expanded the possibilities for education and social interaction the authors played an active role in shaping and analyzing their use Looking back on that early formative period and assessing its impact on the present world the authors evaluate moments of social importance in order to examine the linkages among social practices Alaskan peoples and technologies They consider the power of communication media to cause and ramify change BOOK JACKET **Nexus Analysis** Suzie Wong Scollon, 2004-07-31 Nexus Analysis presents an exciting theory by two of the leading names in discourse analysis and provides a practical guide to its application The authors argue that discourse analysis can itself be a form of social action If the discourse analyst is part of the nexus of practice under study then the analysis can itself transform that nexus of practice Focussing on their own involvement with and analysis of pioneering communication technologies in Alaska they identify moments of social importance in order to examine the links between social practice culture and technology Media are identified not only as

means of expressing change but also as catalysts for change itself with the power to transform the socio cultural landscape In this intellectually exciting yet accessible book Ron Scollon and Suzie Wong Scollon present a working example of their theory in action and provide a personal snapshot of a key moment in the history of communication technology as the Internet transformed Alaskan life

Social Problems Anna Leon-Guerrero, 2013-04-03 Empower your students to become part of the solution With a clear and upbeat voice this thought provoking overview of social problems challenges readers to understand and recognize social problems in their communities and inspires them to become part of the solution The Fourth Edition of this popular book goes beyond the typical presentation of contemporary social problems and their consequences by emphasizing the importance and effectiveness of community involvement to achieve real solutions With an overarching focus on social inequalities and policy this proven text provides a platform for discussion that encourages critical thinking and inspires hope

The Powers of the Presidency, 2013 This is a comprehensive and illustrative work on the historical and contemporary perspective on presidential powers guiding readers through the presidency as a constitutional office with many updated features from the previous edition

E-development Robert Schware, 2005-01-01 Information and communication technologies ICTs are increasingly being recognized as essential tools of development tools that can empower poor people enhance skills increase productivity and improve governance at all levels The success of ICT enabled development or e development will thus not be measured by the diffusion of technology but by advances in development itself economic growth and ultimately achievement of the Millenium Development Goals This volume examines a wide range of issues related to e development with a focus on the requirements and realities of using ICTs to advance development goals The report does not attempt to present a comprehensive overview of e development Rather it highlights key issues that have immediate relevance to policy makers in developing nations who make decisions on investments and development goals It highlights two issues in particular e government and e education because ICT applications in these areas can lead to significant development outcomes and can also be successfully deployed through public private partnerships leveraging limited government funding to achieve greater impact

These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered.

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts.

The Secret History is a masterful and gripping novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
