Trace assures her that it's just for publicity and all the arguments are faked. Cam has her reservations. Reservations that prove to be well founded when the host of the reality show winds up dead and Cam suddenly finds herself in the middle of a real life crime drama. Cam knows the police are on the wrong trail and when the producers make the decision to keep filming despite the murder it's up to her to ferret out the killer in their midst. Between a rap star with a reputation for violence, an aging soap opera actor with a hidden past, a Kardashian wanna be and the show's co host and not so grieving widow there are no shortage of people who would want the victim dead. Trapped in a house full of over the top suspects forced into doing ridiculously hilarious relationship saving drills and with her every move watched by dozens of hidden cameras, Cam works to catch the story of her career and a cold blooded killer before she finds herself canceled permanently.
