Meinong's Theory of Knowledge Marie-Luise Schubert Kalsi, 2012-12-06 In recent years there has been a renewal of interest in Meinong s work but since the bulk of it is still encased in his quite forbidding German most students are limited to the few available translations and to secondary sources Unfortunately Meinong has been much maligned only in a few instances with good reason and has consequently been dealt with lightly Meinong stood at a very important junction of European philosophical and scientific thought In all fields physics chemistry mathematics psychology philology revolutionary strides were being made Philosophy on the other hand had run its post Kantian course New philosophical thinkers came from different disciplines For example Frege and later Russell were mathematicians Boltzmann and Mach were physicists Earlier

Bolzano and then Brentano were originally theologians and Meinong was a historian ¹ The sciences with their new insights and theories offered an enormous wealth of information which needed to be absorbed philosophically but traditional philosophy could not deal with it Physics presented a picture of reality which did not fit into the traditional schemes of empiricism or idealism Ontological and epistemological questions became once again wide open issues For example atoms at first were still considered to be theoretical entities

A House of Fangs & Deceit: A Why Choose Romantasy Alex Frost,2025-10-24 Duty Desire And the devouring dark I can t afford to fail As the Heir to one of the most powerful Houses in Lunaria my duty is to strengthen alliances and keep the monsters stalking our world at bay When my arranged marriage ends disastrously I return to my family where I m determined to prove my worth and rekindle old flames But my House is no sanctuary The blood wards that kept us safe are crumbling and monsters threaten my people To save us all I ll need the help of those who both tempt and scorn me my silver tongued childhood crush my infuriatingly gorgeous rival the taciturn librarian and the brooding ranger Navigating politics has always been easy but as duties blend seamlessly into desires I fear I can no longer trust my own judgement Especially when the monsters are breaking through and it s clear someone is helping them If I can t master my heart and unmask the traitor before the blood wards fail completely my House and all of Lunaria will fall A House of Fangs and Deceit is the first thrilling fantasy romance in the Lunaria Realms series If you love vampires court intrigue and love interests who don t mind sharing dive into this spicy

why choose romantasy **Creating a Fictional World: The Beginner's Guide to World-Building** Alex Lyn, 2024-08-05

Do you want to be the master of worlds? Have you been dreaming of creating a fictional world but don't know where to start? The Beginner's Guide to World Building covers everything you need to know about the basics of world building from designing the setting of your story to the characters, plot, magic systems, and so much more. If you've ever wondered how your favorite authors, producers, or game developers create immersive worlds that feel as real as ours, the answer is world building. World building is everywhere in your favorite books and TV shows, your favorite video games, and even your favorite art pieces. The process of creating a fictional world is intertwined with every storytelling medium and nearly every fictional genre, not just science fiction and fantasy. This guide aims to make the world building process easy to understand for anyone interested in telling a tale and help storytellers bring their work to life.
