Pro Gothic Romance:

The Gothic Romance Wave Lori A. Paige, 2018-10-09 The late 1960s and early 1970s saw the birth of modern feminism the sexual revolution and strong growth in the mass market publishing industry Women made up a large part of the book market and Gothic fiction became a higher popular staple Victoria Holt Mary Stewart and Phyllis Whitney emerged as prominent authors while the standardized paperback Gothic sold in the millions Pitched at middle class women of all ages Gothics paved the way for contemporary fiction categories such as urban fantasy paranormal romance and vampire erotica Though not as popular today as they once were Gothic paperbacks retain a cult following and the books themselves have become collectors items They were also the first popular novels to present strong heroines as agents of liberation and transformation This work offers the missing chapters of the Gothic story from the imaginative creations of Ann Radcliffe and the Bronte sisters to the bestseller 50 Shades of Grey

Figures of the Imagination Roger Hansford, 2017-03-16 This new study of the intersection of romance novels with vocal music records a society on the cusp of modernisation with a printing industry emerging to serve people s growing appetites for entertainment amidst their changing views of religion and the occult No mere diversion fiction was integral to musical culture and together both art forms reveal key intellectual currents that circulated in the early nineteenth century British home and were shared by many consumers Roger Hansford explores relationships between music produced in the early 1800s for domestic consumption and the fictional genre of romance offering a new view of romanticism in British print culture He surveys romance novels by Ann Radcliffe Matthew Lewis Sir Walter Scott James Hogg Edward Bulwer and Charles Kingsley in the period 1790 1850 interrogating the ways that music served to create mood and atmosphere enlivened social scenes and contributed to plot developments He explores the connections between musical scenes in romance fiction and the domestic song literature treating both types of source and their intersection as examples of material culture Hansford s intersectional reading revolves around a series of imaginative figures including the minstrel fairies mermaids ghosts and witches and Christians engaged both in virtue and vice the identities of which remained consistent as influence passed between the art forms While romance authors quoted song lyrics and included musical descriptions and characters their novels recorded and modelled the performance of songs by the middle and upper classes influencing the work of composers and the actions of performers who read romance fiction

More Oddments Bill Pronzini, 2015-03-26 More Oddments features fourteen more detective stories featuring characters such as Fergus O Hara and the Nameless Detective The stories included in this collection are Fergus O Hara Detective Chip Opportunity A Craving for Originality One of Those Cases A Nameless Detective Story I Didn t Do It Quicker Than the Eye with Michael Kurland Angel of Mercy Connoisseur Mrs Rakubian Smuggler s Island A Taste of Paradise Under the Skin Prose Bowl with Barry N Malzberg

Bodybuilding Martin Myrone, 2005-01-01 Combining visual analysis social history and masculinity studies Bodybuilding effects a vivid image of this critical period in Britain s cultural history and establishes on

ambitious new framework for the study of late eighteenth century art and gender **BOOK JACKET** **English and British Fiction, 1750-1820** Peter Garside, Karen Elisabeth O'Brien, 2015 This series presents a comprehensive global and up to date history of English language prose fiction and written by a international team of scholars dust jacket **Landscapes of Abandonment** Roger A. Salerno, 2012-02-01 Using social theory and cultural analysis Roger A Salerno explores the relationship of abandonment to the construction of contemporary capitalistic cultures Beginning with an array of narratives on the emergence of capitalism in the West and its undermining of traditional social institutions and structures he provides an overview of both the definition of and reactions to abandonment analyzing its historical social and psychological dimensions The author contends that abandonment anxiety and feelings of estrangement not only have deep psychological roots but also important social causes and cultural manifestations such as a quest for security or a hunger for commodities Salerno surveys important contributions of writers artists philosophers and social scientists and how their work expresses this sense of modern abandonment He also examines how and why this phenomenon has become a central motif in renderings of community the environment and the process of globalization and presents a richer understanding of our modern social condition **Gothick Origins and Innovations** Allan Lloyd Smith, Victor Sage, 1994 Gothic Origins and Innovations brings together nineteen papers from an international group of scholars currently researching in the field of the Gothic which take a fresh contemporary look at the tradition from its eighteenth century inception to the twentieth century Topics and authors include the current usage and definition of the term Gothic the eighteenth century rise of the genre the Sublime Victorian sensation fiction and authors such as Coleridge Mary Shelly Maturin LeFanu Washington Irving Robert Louis Stevenson Bram Stoker John Neale Jack London Herman Melville Dickens Henry James and the movie version of his Turn of the Screw The Innocents This wide ranging set of discussions brings to the subject a new set of perspectives revising standard accounts of the origins of the genre and extending the historical and cultural contexts into which traditional literary history has tended to confine the subject Framed by a lively and challenging introduction the collection brings to bear a full range of contemporary critical instruments approaches and interdisciplinary languages ranging from the new vocabularies of the socio cultural to the latest debates in the psychoanalytic field It provides a stimulating introduction to recent thinking about the Gothic **Victorian Vogue** Dianne F. Sadoff, 2010 Ranging from cinematic images of Jane Austen s estates to Oscar Wilde s drawing rooms Dianne F Sadoff looks at popular heritage films often featuring Hollywood stars that have been adapted from nineteenth century novels Victorian Vogue argues that heritage films perform different cultural functions at key historical moments in the twentieth century According to Sadoff they are characterized by a double historical consciousness one that is as attentive to the concerns of the time of production as to those of the Victorian period If James Whale s Frankenstein and Tod Browning s Dracula exploited post Depression fear in the 1930s the horror films of the 1950s used the genre to explore homosexual panic 1970s movies elaborated the sexuality only hinted at in the thirties and films of

the 1990s indulged the pleasures of consumption Taking a broad view of the relationships among film literature and current events Sadoff contrasts films not merely with their nineteenth century source novels but with crucial historical moments in the twentieth century showing their cultural use in interpreting the present not just the past **Accidental Migrations**
Edward H. Jacobs, 2000 Rethinking and adapting the theoretical framework and critical methods of Michael Foucault's archaeology of knowledge and arguments about power relations Edward Jacobs's *Accidental Migrations* offers a new consideration of the nature of the Gothic English Fiction of the Romantic Period 1789-1830 Gary Kelly, 2016-04-15
English Fiction of the Romantic Period 1789-1830 is the first comprehensive historical survey of fiction from that period for many decades It combines a clear awareness of the period's social history with recent developments in literary criticism theory and history and explains the astounding variety of forms in Romantic fiction in terms of the various cultural political social regional and gender conflicts of the time It provides a broad ranging survey from the major authors and works through to the sub genres of the period Jane Austen and Sir Walter Scott are discussed alongside the Gothic Romance political and feminist fiction social satire and regional rural and historical novels It also provides a comparison of the methods of distribution and marketing and the availability of books then and now examines cheap popular fiction and children's fiction and considers the recent debate about the place of prose fiction in a Romantic literature hitherto dominated by poetry
