Adria's Romance Reviews EXCERPT I'm serious Nicholas stop following me I prefer Nick Or we could go with creepy asshole stalker He grinned Nicholas is fine Just leave me alone It's not like I've got anything you want anymore She had plenty he wanted And plenty more he shouldn't Hidden behind his own mirrored shades he flicked his gaze down to her pink mouth with its full bottom lip glistening in the morning sunshine Succumbing to the urge to kiss those lips would give a whole new meaning to keep your enemies closer For him anyway He shifted his attention back up wishing he could remove her glasses Would that answering glimmer of awareness darken her eyes again The possibility sent a shot of heat through his veins Tempting though it was tasting her was not a thought he should be entertaining To distract his libido he said I was hoping we could talk Can I buy your coffee You already did A smirk curved the corners of her mouth as she started across the square once more He automatically reached to feel his pocket His wallet was still there but obviously he should have checked the contents and definitely don't bet the Bible where she's concerned Nick caught up in three strides and kept pace with her Then the least you can do is let me sit with you while you drink it The least I can do Really She didn't stop walking until they reached the cafe Then she swiped her glasses off and jabbed them at him as her blue eyes flashed You

broke into my apartment stole letters that have sentimental value and then lost them to those two idiots last night And you re talking about the least I can do Whoa easy now He held up his hands to placate her And ward off the jab Before you go getting all worked up maybe you d like to hear my proposition No thanks Trust me yes you do Trust you she retorted Wow not only are you delusional you re hilarious Quit trying to talk her into listening and just say it I thought we could help each other Her elegantly sculpted eyebrows arched upward as she tucked her glasses in her bag With what Finding whatever it is you came here to look for Her eyes widened the tiniest bit Then her eyebrows lowered drawing together as she appeared to consider his words The only thing I might consider looking for are the personal mementos you stole and lost So much for consideration I might have a lead on those letters He had shit but she wouldn t know that Ignoring him she faced the barista and gave an order for a cappuccino Then she looked at the pastry offerings and fumbled through a request for something similar to cornetto alla crema Nick pointed out the bign alla crema before requesting a caffè doppio for himself He also advised in Italian they d like to sit at one of the terrace tables so the cover charge could be added to their bill He reached for his wallet but Rachel beat him to it by handing twenty euros to the man operating the register Don t worry you re covered I d say thank you but I d be talking to myself right His sarcasm was rewarded with a smug smile While she accepted the change Nick took their purchases to carry out to the table After setting them down he pulled out her chair and waited She gave him a suspicious look before gathering her skirt with one hand and sitting with a graceful sweep of elegance The movement was so smooth the single filmy ruffle along her modest neckline barely moved Like the last time he d stood behind her at a restaurant table the faint honey scent of her shampoo wafted up to fill his senses A hint of sweet and a whole lot of sultry just like the woman He drew in a discreet inhale then straightened with a mental admonishment to keep his focus When he dropped onto the chair opposite her she lifted her cappuccino for a taste then set her cup back on its saucer She sat back in her chair with her gaze steady on his What makes you think I d want or even need your help Ah ha She was thinking about his offer He considered what angle to play as he sipped his double espresso Charming or blunt Yesterday he d have piled on the charm She d appeared more innocent Maybe not quite the right word but the stylish dress the shoes her hair and even the modest make up she wore all suggested a level of somewhat high maintenance Or sophistication Class However her undetected pursuit of him last night completely contradicted everything on the outside Coupled with her ambush this morning he was seeing her in an entirely different light Class some sass and not one to have the wool pulled over her eyes He went with blunt Because I can help you find the cross ITALY INTRIGUE SERIES Kidnapped book 1 Winner 2012 Write Touch Readers Award romantic suspense as Lost in Italy Betrayed book 2 Conned book 3 Romantic suspense sexy alpha male hero betrayal international romance series Italian vacation romance beach reads treasure hunt con job family betrayal strong woman priceless jewels Venice Italy on the run romance blackmail fans of Indiana Jones fans of National Treasure fans of Romancing the Stone action adventure romance action adventure fans of The Thomas Crowne Affair *A Fair Rebel and*
