A Fascinating Journey with Spirits

Smita Ravishankar, 2018-07-30. I am influenced from beauty, wonders of nature, five elements of nature: water, air, soil, fire, spirit. When all comes together, it produces active things; it grows; it comes from nature and at last they disappear in nature. I'm very close to nature. I always ask my dad why flowers smell different, why flowers have different shapes, colours, how spinach has so much iron, so many questions I ask my dad and very calmly he was answering me. I'm a CADD design Engineer. I design interior and exterior of cars now in Mumbai, now working on my projects for my business.
